

# 24-25 IEP Direct Placement Rollout: Where We Are Today

April Update

What We've Done	What's In Progress	What's Ahead
<ul style="list-style-type: none"><li>● Uploaded AU templates into the <i>Direct Placement Reference Library</i></li><li>● Existing 24-25 Family applications referenced against Reference Library</li><li>● Developed reporting to ensure CDEC AU specialists have visibility where a Family has selected the child has an IEP, yet the child does not appear in the Direct Placement</li><li>● <b>2,600+ child placements uploaded!</b></li></ul>	<ul style="list-style-type: none"><li>● Identifying Children in the <i>Library</i> for whom there is not yet a 24-25 UPK Application</li><li>● Identifying Applications where a Family has selected the child has an IEP, yet the child did not appear in a Round 1 upload by AUs.</li><li>● Reaching out to AU Directors who have not engaged in the process to provide support</li><li>● Incorporating your feedback and questions into next update of the AU technical guide</li><li>● <b>1,257 students are placed already!</b></li></ul>	<ul style="list-style-type: none"><li>→Planned future uploads in April and May</li><li>→Developing functionality for direct placement to allow for AUs to directly place a child without waiting for an upload</li><li>→Publishing V2 of the AU Technical Guide</li></ul>

# 24-25 IEP Direct Placement Rollout: Where We Are Today (Continued)

March Update

What We've Done	What's In Progress	What's Ahead
<ul style="list-style-type: none"><li>● Upload templates created and shared across folders with AUs</li><li>● Templates completed by AUs for Round 1 upload and shared with CDEC</li><li>● Templated data has been uploaded by CDEC into new <i>IEP Direct Placement Reference Library</i></li><li>● Existing 24-25 Family applications referenced against Reference Library</li><li>● UPK team shared out an updated version of the AU technical guide on Friday, with new information on the experience of accessing your students in the UPK Admin.</li></ul>	<ul style="list-style-type: none"><li>● Manually auditing Round 1 upload placements (since it's the first time!)</li><li>● Identifying Children in the Library for whom there is not yet a 24-25 UPK Application</li><li>● Identifying Applications where a Family has selected the child has an IEP, yet the child did not appear in the round 1 upload by AUs.</li><li>● Reaching out to the list of AUs who have engaged in the process to provide support</li><li>● Incorporating your feedback and questions into next update of the AU technical guide.</li></ul>	<ul style="list-style-type: none"><li>→All new IEP Applications created for UPK will check the <i>Reference Library</i> for a match. If one is found, the child will be automatically placed according to the AU templated data. <b>(happening now!)</b></li><li>→Reports available in Admin that will help you with your processes <b>(this week)</b></li><li>→Collaborating to address students with IEPs who are not yet assigned to an AU because they were not part of the Round 1 upload <b>(next week)</b></li><li>→Guidance for managing the IEP Direct Placement process via the Admin, including how to make placements directly and how to change existing placements <b>(~mid April)</b></li></ul>
