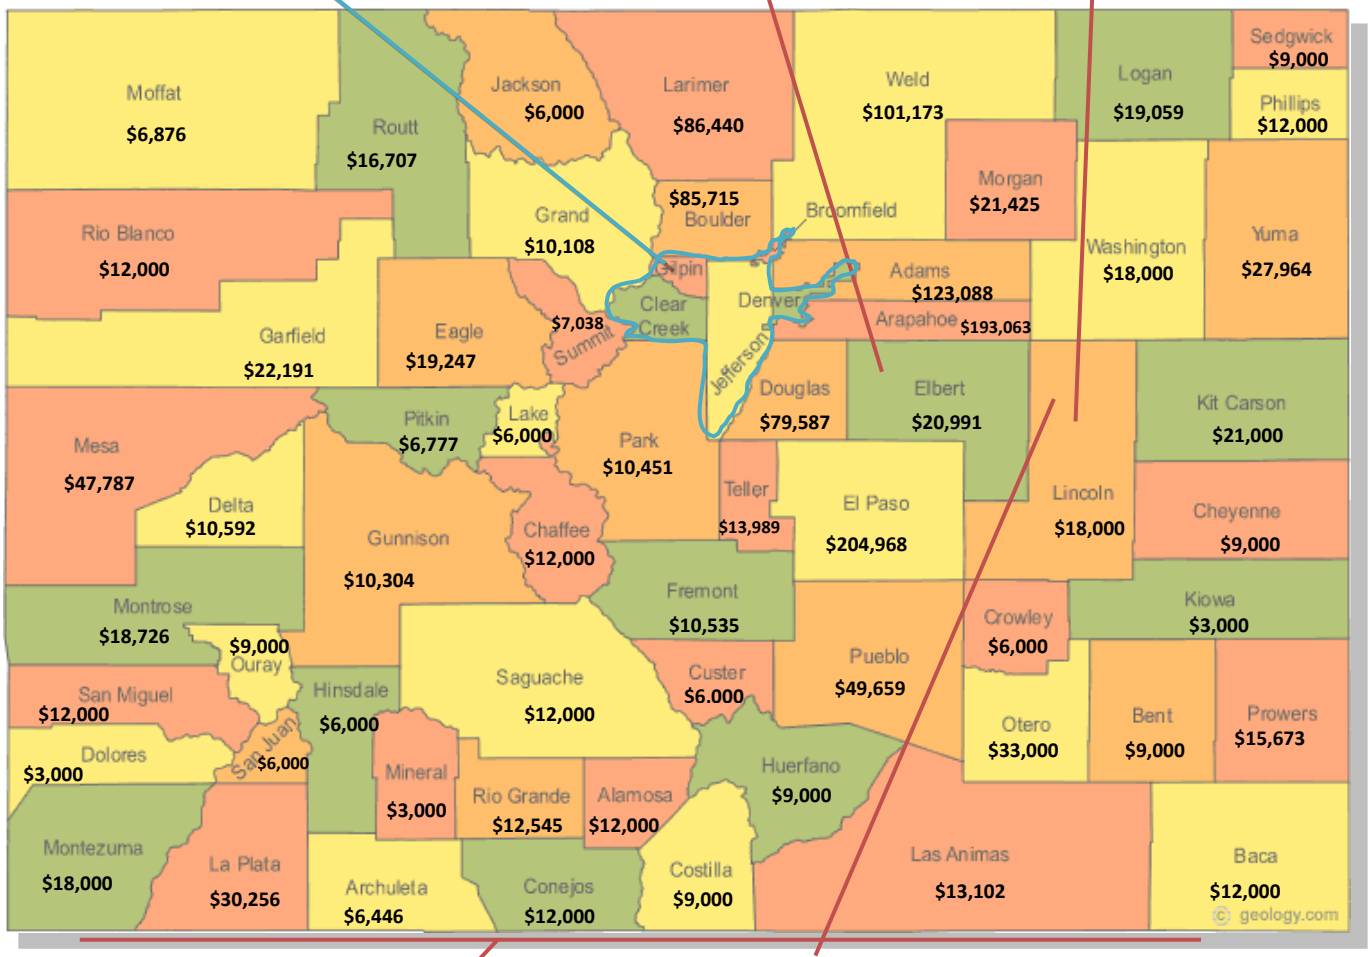
2013-14 Distribution of State Grants to Libraries by County

"$3,000 goes a long way to supplement an early literacy collection!"

Clear Creek	$6,000
Gilpin	$6,000
Broomfield	$13,423
Denver	$168,149
Jefferson	$144,063

Kiowa School District – planning to implement the 1,000 Books Before Kindergarten program to help incoming students be school-ready.

Agate School – needed money for new books in a renovated library and plan to circulate book bags for parents to take home for their younger children.



Schools and libraries statewide– using the funds for learning programs, eBook subscriptions and databases for literacy efforts.

Hugo Public Library –met with moms of preschoolers and plans to purchase e-books and other devices for reading readiness.

	# of grants	Out of	%
Academic	24	27	89%
Public	107	113	95%
School	154	176	88%
Overall	285	316	90%

The State Grants to Libraries Act (24-90-401) was funded through a $2 million appropriation from the 2013 Colorado Legislature for library educational materials that support or enhance opportunities for early literacy and early learning.

Amounts shown are the totals received by all libraries in each county. Totals are proportional to the number of libraries in each county. The per-capita benefits are generally greater in rural areas.
