

# Creating Sample Students in the PearsonAccess<sup>next</sup> Training Center

## Spring 2019 CMAS and CoAlt: Math, ELA, Science and Social Studies

Districts and schools may use the PearsonAccess<sup>next</sup> Training Center to perform infrastructure trials (CMAS Site Readiness), interact with the PearsonAccess<sup>next</sup> User Interface prior to testing, administer practice tests, and demonstrate CoAlt score entry through a secure environment using auto-generated sample student information.

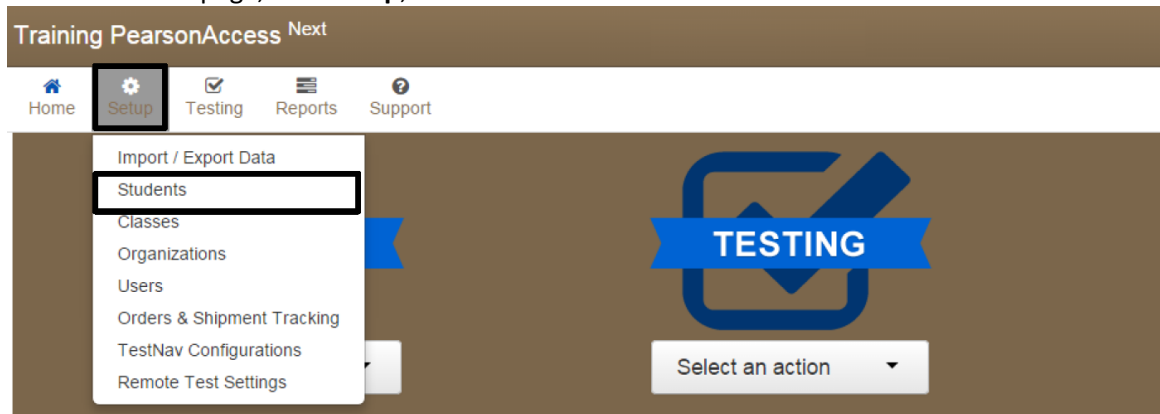

To create sample students within the Training Center:

1. Log in to the Training Center. (Training Center screens have a **BROWN** background, not blue.)
  - <https://trng-co.pearsonaccessnext.com/>

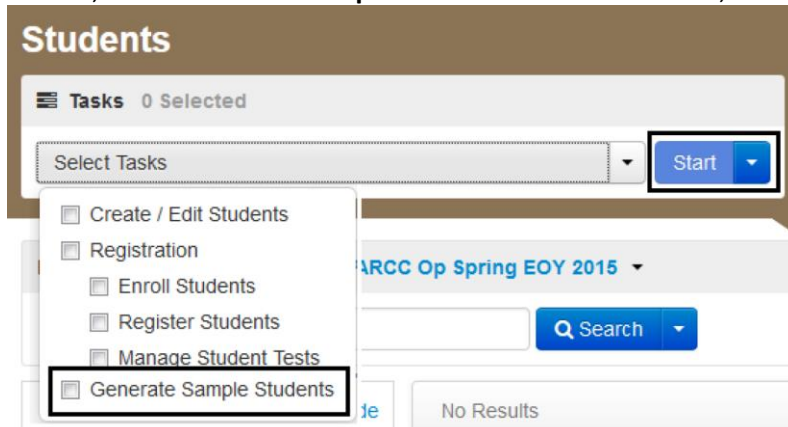

2. Select the administration.

3. On the home page, click **Setup**; select **Students** from menu.

4. Next, select **Generate Sample Students** from Tasks menu; click **Start** to continue.

5. The following fields will need to be completed:

- **Organization:** Select your school/organization.
- **Class:** Add an Existing Class Name or you may choose to create a new class. Classes are useful for adding large numbers of students to a session at once.
- **Grade Level When Assessed**
- **Test:** Select one of the tests available from the drop-down menu.
- **Test Format:** Select **Online** for CBT, **Paper** for PBT, or **Alternate** for CoAlt.
- **Number of Students:** Input a number between 1 and 99.
