

COLORADO
Department of Education

English Language Proficiency (ELP) Standards & Program Statewide Tour

Offered by:
The Colorado
Department of Education
Office of Language, Culture
and Equity

WHO: District and school administrators, leadership teams, teachers, coaches, and other interested educators

Attending as a district or school teams is encouraged.

WHAT: Select one or both of the following professional development sessions

Designing, Delivering and Evaluating Quality English Language Proficiency (ELP) Programs (9:00 -12:00)

Program session provides administrative staff (program directors/coordinators and district decision makers) an understanding of requirements for and components of quality ELP programs and effective English language development services.

Linking Colorado Academic Standards (CAS) to Colorado English Language Proficiency (CELP) Standards (1:00-4:00)

Standards session provides instructional staff (content/classroom teachers as well as ESL, bilingual educators) a foundational knowledge of English language development and the connection between academic standards and the CELP standards.
