MOFFAT COUNTY SCHOOL DISTRICT

SEAL AND ENDORSEMENT OF BILITERACY

Thriving in a global society requires a global skill set. Being biliterate is one of the skills that indicates students are ready for the challenges of a global workplace. Moffat County School District (MCSD), with the support of the Colorado Department of Education (CDE), would like to recognize biliterate students by awarding a Seal of Biliteracy on their high school diplomas.

To earn the Seal of Biliteracy, MCSD proposes the following four requirements:

1. Students meet all MCSD graduation requirements.

AND

2. Students show literacy in English by accomplishing at least one of the following:
 - a. SAT score of 470 or higher on the section of Evidenced Based Reading and Writing
 - b. AP English Language exam score of 3 or higher
 - c. AP English Literature exam score of 3 or higher
 - d. IB English A, English Literature A, or English A1 score of 4 or higher

AND

3. Students show literacy in an additional language by accomplishing at least one of the following:
 - a. AP world language exam score of 3 or higher
 - b. AAPPL score of I-4 or higher
 - c. IB World Language score of 4 or higher
 - d. 4-Year high school course of study in a single World Language with a GPA of 3.0 or better in those courses

AND

4. Students participate in 10 hours of practical biliterate experience during their senior year where they use their additional language to communicate. Some examples:
 - a. Develop a resource to help families/students learn English.
 - b. Tutor students learning an additional language.
 - c. Be a Reading Buddy to an elementary student whose first language is the senior's additional language.
 - d. Volunteer at an establishment where the primary language is the student's additional language.

To earn the Endorsement of Biliteracy, students must:

Meet the four requirements above and have a GPA of at least 3.0 in MCSD's required English courses to meet the criteria for an Endorsement in Biliteracy awarded by CDE pursuant to Senate Bill 17-123.
