value			

General Directions:

Help families brainstorm some simple tasks that they or their children could do.

Each family member can make their own coupon book to give as a gift.

Sample ideas for a child's gift to a parent could include coupons for:

- Taking out the trash without being reminded
- Washing the dishes one night
- Folding the laundry
- A hug

Sample ideas for a parent's gift to a child could include coupons for:

- Reading a favorite book
- Spending ½ hour with them and no interruptions
- A hug
- Sit down and watch their favorite TV show with them
