

Woodrow Wilson Academy Satisfaction Survey

As we approach the end of our first year as an Academy, it is critical that we receive feedback on our year. This survey has been designed to obtain your feedback and comments and to help us better understand your overall satisfaction and also know what needs you have. As a new and growing Academy, we greatly value your voice. Please complete the following survey and return it to the Academy by May 8th, 2001. This information is vital to the success of our school and our future. Thank you in advance for taking the time to reflect on our first year and provide us with your feedback and insights. Your time and input is greatly appreciated.
