

**Apr. 10, 2025**

Dear Superintendents and BOCES leaders,

In addition to [this morning's message](#), I am sharing updates on the following:

- Message from US Department of Education (ED) on 4/10
- National Education Association et al v. US Department of Education et al. case

**Message from US Department of Education (ED) on 4/10**

This afternoon, we received a message from ED requesting that we share the attached email with you. It notifies us of an agreement (attached) related to the April 3 request for certification.

**National Education Association et al v. US Department of Education et al. case**

This agreement was reached as a result of the recently filed [National Education Association et al. v. US Department of Education et al. case](#) filed in U.S. District Court in New Hampshire. It does not change the course of action we announced this morning.

Warm regards,

Susana Córdova
