SAVE THE DATE!

What an exciting time for the Green Ribbon program and the Colorado Department of Education! Colorado has been selected to host one leg of the 2014 Green Stride Best Practices Tour. Over the course of two days, CDE will guide U.S. Department of Education officials and other VIP visitors to the Colorado Green Ribbon Schools and District Sustainability Awardees. Join us to highlight what districts and schools are doing to improve the overall wellness, productivity, and achievement of students through health, environmental and education improvements.
