

**Payments to Administrative Units Under the Exceptional Children's Education Act  
For High Cost Out of District and In District Placements or Programs  
Fiscal Year 2012 - 2013**

Four million dollars was appropriated in the Exceptional Children's Education Act to reimburse administrative units for students in high cost placements or program--\$2 million for in district high cost programs, and \$2 million for high cost out of district placements. The Special Education Fiscal Advisory Committee has reviewed applications from administrative units and has determined which grant applications to approve, and the amounts to be awarded after applicable revenues were deducted from the costs submitted for reimbursement.

In making these decisions, the Committee has, as required by statute, considered each district's annual audited expenditures, and the percentage high cost claims represented of the district's total audited expenditures. The statutory citation for the grant process is contained in section 22-20-114.5 of the Exceptional Children's Education Act.
