3	Meghan Casey, Rocky Mountain Puppets,	Puppets, ventriloquism	A great ventriloquist who uses the theme each year to present to libraries. She is very good at what she does and always involves audience participation. Great entertainment for kids of all ages. Toddlers to junior high age enjoyed the show. By far the most professional performance we have ever had. Very worth the fee. 3	LMNO Puppets	Puppetry	Matt and Sarah were great! Kids and adults all loved their puppet show. The Readles-Live at the Library is a musical puppet show featuring literacy-themed parodies of familiar Beatles hits. (I Wanna Read a Book, Yellow Library, She Loves Books, Yeah, Yeah, Yeah). Fun for young and old. Matt is great to work with. He writes his own puppet shows and makes all of his own puppets. He's really energetic and engaging with the kids. He includes some education and ties the show into the summer reading theme.	lmnopuppets.com <a href="mailto:info@lmnopuppets.com">info@lmnopuppets.com</a> 720-689-1208

2	Nature's Educators - Devin Paszek	Animals	This year they did one raptor program and one snake program. The presenters are great with the kids and we always learn so much. They are reasonably priced and the presenters are good with working with the kids (and the animals). We used them twice this summer and they brought 2 different sets of animals (raptors and then reptiles) and each program was just a little bit different so it didn't feel redundant for our regular attenders.	<a href="mailto:devin.p@natureseducators.org">devin.p@natureseducators.org</a> <a href="mailto:info@natureseducators.org">info@natureseducators.org</a> 720-495-9316
1	Rocky Mountain Arsenal Wildlife Refuge	Animals	They offered a FREE Monarch Butterfly Program for the younger children (under six) that was hugely popular. The presenter Susan Drobniak was wonderful with the children. She explained the butterfly life cycle, let the children dress up with butterfly wings and goggles that allowed them to "see like a butterfly."	<a href="http://www.fws.gov/refuge/rocky_mountain_arsenal/">www.fws.gov/refuge/rocky_mountain_arsenal/</a> <a href="mailto:susan_drobniak@fws.gov">susan_drobniak@fws.gov</a>
