The Colorado State Library at the Department of Education through the AIRS Committee (Acquisition of Information Resources Statewide) negotiates greatly discounted access to databases for libraries. Learn more about AIRS at www.coloradovirtuallibrary.org/committees/airs.

New for 2008: The Long Bill (HB08-1375, Colorado's budget bill) provides \$1.0 million annually to help with costs of making on-line database products available to schools and libraries throughout the state.
