

Colorado Summer Reading Program Sample Outcome Statements and Measures

1. Target: Students in grade 3 (or teens, or...)
 - Outcome: 85% of the 3rd grade SRP participants will have practiced reading.
 - Measure: 5 books by end of SRP; 15 minutes a day by participants, etc.
2. Target: Any and all SRP participants
 - Outcome 1: 15% larger number of books read by participants of Summer Reading. (as compiled by the library)
 - Measure: Number of books read by participants
 - Outcome 2: 10% greater number of hours read by participants of Summer Reading. (as compiled by the library)
 - Measure: Number of hours recorded by participants
3. Target: Family Reading
 - Outcome: 75% of families will say that they read together, or that they read to each other 5 times a week.
 - Measure: Number of families
4. Target: Participants (teens or children or parents)
 - Outcome: % of participants - satisfaction with the summer reading program.
 - Measure: Survey of participants/parents at end of program: "Was the SRP great, okay, not worth it?"

Other Outcomes

1. Target: Library visibility in the community.
 - Could be participants, library patrons, or community members.
 - Outcome: % of community know about library and its summer programming from extra visibility
 - Measure: Survey of participants/library patrons/community: Did you see/hear something in paper, radio, TV, store, tee shirt, grocery bags, other people, etc?
 - Note: use a "cheat sheet" on how to ask questions, do a short practice / training session, list of questions to ask participants or parents. A simple written survey can also be effective.
2. Target: Caregivers, daycare facilities
 - Outcome: % more staff of participating daycare facilities will know techniques of reading aloud.
 - Measure: Survey: "Do you know 2 new techniques for reading aloud? What are they?"
 - Note: use information at Every Child Ready to Read www.ala.org/ala/alsc/ECRR/ECRRHomePage.htm
3. Target: Community partnerships:
 - Outcome: % increase of partnerships with businesses of individuals to support extra reading incentives.
 - Measure: Compare numbers from last year with current numbers.
