Bubbles floating all around (pretend to catch bubbles)  
Bubbles fat and bubbles round (make a circle with arms)  
Bubbles on my toes and nose (point to toes and then to nose)

Bubbles floating all around. (pretend to catch bubbles)  
B..u..b. .b..l..e..s f..a..l..l. .i..n..g to...the...ground. (sing slowly while sinking to ground)

### Pop! Go the bubbles

Sung to the tune of "Pop Goes the Weasel"

We dip our wands in the bubble soap.  
We wave them all around.  
The bubbles go up in the air.  
Pop! Go the bubbles.

### Did You Ever See a Bubble?

Sung to the tune of "Did You Ever See a Lassie?"

Did you ever see a bubble,  
A bubble, a bubble?  
Did you ever see a bubble  
That floated so high?  
It reached the tree.  
It's higher than me.  
Did you ever see a bubble  
That floated so high?

### There are Bubbles in the Air

Sung to the tune of "If You're Happy And You Know It."

There are bubbles in the air, in the air.  
There are bubbles in my hair, in my hair.  
There are bubbles in the air,  
There are bubbles in my hair.  
There are bubbles everywhere, everywhere!

Pop the bubbles with your hands, clap your hands.  
Pop the bubbles with your hands, clap your hands.  
If you want to pop the bubbles, yes you really want to pop them,  
If you want to pop the bubbles, clap your hands!  
(repeat with stomp your feet, etc.)

### **I'm A Little Bubble**

Sung to the tune of "I'm a Little Teapot"

I'm a little bubble, shiny and round.  
I gently float down to the ground.  
The wind lifts me up and then I drop.  
Down to the dry ground where I pop.
