

Literacy-Enhanced Storytimes

Want to juice up your library storytime? Make your storytimes better-than-ever? Attend a **FREE** all-day interactive and hands-on workshop using the 6 skills and techniques of ECRR (**EVERY CHILD READY TO READ**) in your library storytimes.

Experienced trainer Carol Wagstaff (Douglas County Libraries) and Colorado Libraries for Early Literacy (CLEL) will review ECRR resources and coach you through how you can use ECRR techniques and plan a literacy-enhanced storytime.

Participants will walk away with a better understanding of the importance of age-appropriate materials, early literacy research, connecting with parents, and dialogic reading, and will see a demonstration of a literacy-enhanced storytime by an expert.

The workshop will be limited to 20 participants and priority will be given to Western Slope libraries. Additional registrants will be placed on a waiting list.
