Friend of Mine (sing to "Mary Had a Little Lamb)

Will you be a friend of mine, friend of mine, friend of mine?

Will you be a friend of mine and (insert action word) around with me?

(jump, clap, dance...)

Five Friends

One little girl alone with nothing to do,

Decides to call a friend and then there are two.

Two little friends sitting in a tree,

They call for another and that makes three.

Three little friends knock on the neighbor's door,

They invite her to come out and then there are four.

Four little friends go for a drive,

They see another friend and that makes five!

Feathered Birds

Five feathered birds sitting on the door;

One flew away and then there were four.

Four feathered birds singing in the tree,

One flew away and then there were three.

Three feathered birds looking at you,

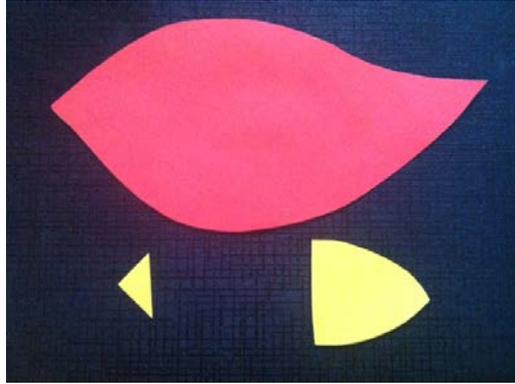

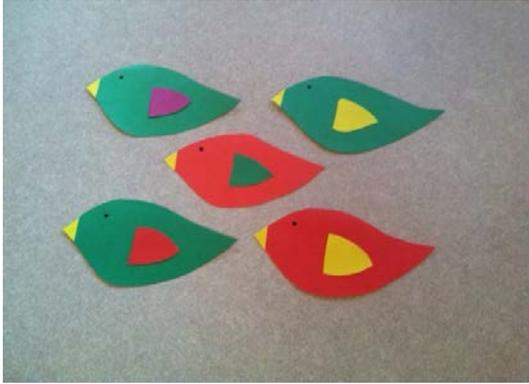

One flew away and then there were two.

Two feathered birds sitting in the sun,

One flew away and then there was one.

One feathered bird looking like a hero,

He flew away and now there are zero!

Two Little Blackbirds

(You can use the stick puppets to the right, or do this as a fingerplay.)

Two little blackbirds sitting on a hill, (Put up your pointer fingers and wiggle them.)

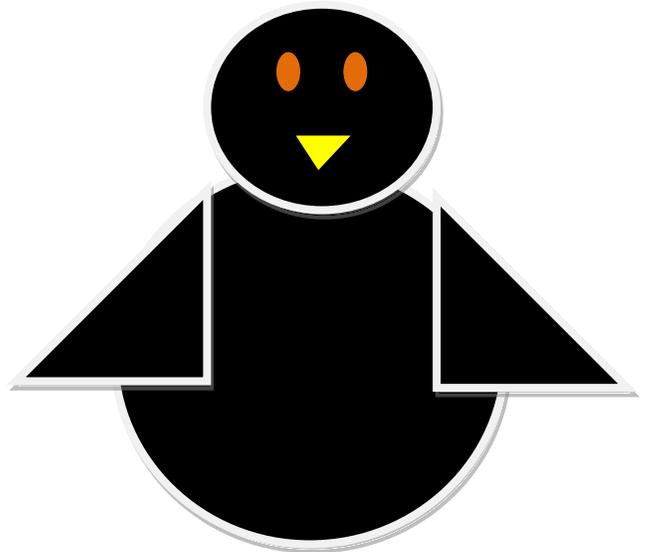

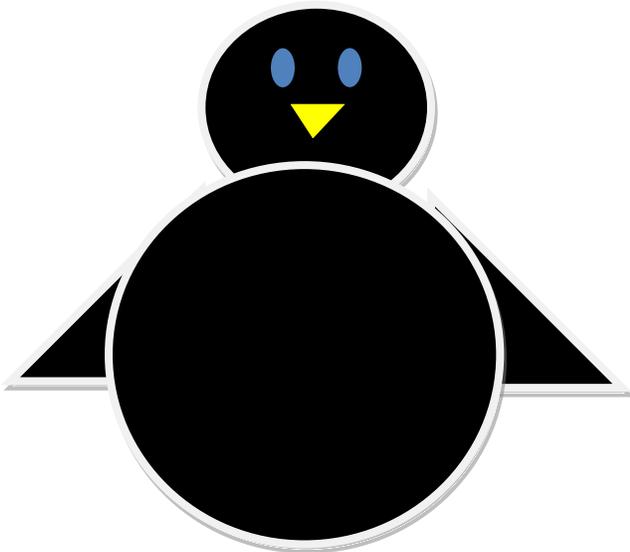

One named Jack and one named Jill, (Lift up one finger higher, then the other.)

Fly away Jack. Fly away Jill. ("Fly" your fingers one at a time behind your back.)

Come back Jack. Come back Jill. ("Fly your fingers one at a time back in front of you.)

Here are the templates.

Once I Saw A Little Bird

Once I saw a little bird go hop, hop, hop! (hop)
And I said, "Little bird, won't you stop, stop, stop?" (stop signal with hands)

But he shook his little tail, and away he flew! (shake your "tail", then flap your arms)

Five Little Ducks

Five little ducks went out one day
Over the hills and far away
Mother duck said "quack, quack, quack"
But only four little ducks came running back.
(continue with four, three, two, one, until...)

But no little ducks came running back.

Mother duck said QUACK! QUACK! QUACK!
And five little ducks came running back.

Five Little Owls

Five little owls went flying high
Over the hills and through the sky
