Communication Toolkit 2022-2023

In-Person, 1 day Training

Overview

This one-day training is for team members working directly with students with autism. The Communication Toolkit training is designed to:

- Discuss communication in children with ASD (e.g., forms, functions, modalities, behavior as it relates to communication, tools)
- Help participants develop a rationale/framework and plan around “where to start “when developing communication systems for students with all levels including coaching communication partners for success
- Give participants a variety of interventions to support students with ASD in developing a functional communication system
- Follow up with participants through virtual coaching (1 hour requirement within 6-8 weeks of the one-day training completion)

Attendance

- 6-hour certificate – attend full day in person
- 8-hour certificate - attend full day in person PLUS, follow up ZOOM

Details

Meals

A working lunch will **NOT** be provided at the training, however plenty of time will be given for participants to leave. Please plan accordingly.

Cost

The Exceptional Student Services Unit of the Colorado Department of Education provides the funding for the presenters. Venue space is provided by the hosting school district/AU. There are no costs to the participant.
