Target Audience: This training is designed primarily for Early Childhood Education teams who are responsible for providing literacy instruction. Teams of 2 or more registering together will be given priority as we have limited space at the distance learning sites.

Workshop Requirements: Each attendee must commit to attending the entire 4 hour workshop, completing an evaluation survey and to completing a follow up survey within 3-6 months. An evaluation link will be sent following the workshop. Upon completion of the evaluation a certificate for 4 contact hours will be emailed to each participant.

Costs: There are no costs to the participant.

Meals: Because of the time and length of this workshop federal guidelines do not allow for food or beverages to be provided. Please bring your own snacks if needed.

Registration: The registration link for the training is:

Registration will close on September 12, 2014 at 5pm. Each team member must register individually. There will be space on the registration form where you will be required to include the names of your teammates who are also registering individually. Confirmation of acceptance will be sent to each participant the week of September 15, 2014. **PLEASE NOTE: Registration does not mean acceptance into the training. You will receive a confirmation email.**

Handouts: Information on handouts will be included in the confirmation email.
