Enrich to Ascend

Transition in 2020-2021

Current System Frontline Enrich and DMS

Frontline Enrich IEP

- System names are interchangeable
 - Frontline or Enrich
- Online IEP System
- Provides Colorado compliant IEPs
- Linked to Data Pipeline for reporting
- IEPs transfer between AUs using the system

Data Management System

- Single sign on through CDE
- Secure repository for data and documents
- Not directly connected to Enrich
- Used for General Supervision and Monitoring
 - Record reviews
 - Indicator 13 reviews
 - Parent surveys
 - AU specific data and CDE reports
 - Dispute Resolution

Transitioning

What you need to know

Important Details

- Frontline Enrich remains in place through 2020-2021
- The new vendor is AnLar, the product is Ascend
- Ascend will replace Enrich July 1, 2021

Transition Year with Frontline

- IEPs will continue to look the same
- DMS will remain the same
- CDE will continue to provide technical assistance
 - December Count
 - Help tickets
 - Data submission
 - Reporting

Transition with AnLar What to Expect

Product

- Custom for Colorado
- Intuitive for users
- Forms will remain the same
- Reporting through Data Pipeline
- Transfers between AUs using system
- New features for ease in use

Communication

- AnLar will provide product descriptions and videos early in process
- AnLar and CDE will collaborate
 - Webpage
 - Regular updates
 - Important timelines
