Policy	<p>(1) Except as otherwise provided in subsection (2) of this section, the board of a school district shall not enter into an employment contract with any person as a teacher, except in a junior college district or in an adult education program, unless such person holds an initial or a professional teacher's license or authorization issued pursuant to the provisions of article 60.5 of this title.</p> <p>(2) (a) The general assembly hereby recognizes that many persons with valuable professional expertise in areas other than teaching provide a great benefit to students through their experience and functional knowledge when hired by a school district. To facilitate the employment of these persons and comply with the requirements of federal law, the general assembly has statutory provisions to create an alternative teacher license and alternative teacher programs to enable school districts to employ persons with expertise in professions other than teaching. These provisions enable a school district to employ a person with professional expertise in a particular subject area, while ensuring that the person receives the necessary training and develops the necessary skills to be a highly qualified teacher. The general assembly strongly encourages each school district to hire persons who hold alternative teacher licenses to provide a wide range of experience in teaching and functional subject matter knowledge for the benefit of the students enrolled in the school district.</p> <p>(b) A school district may hire a person who holds an alternative teacher license to teach as an alternative teacher pursuant to an alternative teacher contract as described in section 22-60.5-207.</p> <p>(3) The board of a school district may enter into an employment contract with any person to serve as an administrator based upon qualifications set by the board of the school district. Nothing in this article shall be construed to require that an administrator, as a condition of employment, possess any type of license or authorization issued pursuant to article 60.5 of this title.</p>

The DPS board may enter into employment contracts with non-licensed teachers and/or administrators at Ashley Elementary School as necessary to implement the school's innovation plan.	
School Proposal	<b>Teacher Employment, Compensation and Dismissal Act of 1990 Section 22-63-202: Contracts in Writing Duration Damage Provision</b>	<b>Human Resource Management: Hiring, Contracts and Employment Offer Letters</b>
Policy	(1) Except for a part-time or substitute teacher, every employment contract entered into by any teacher or chief administrative officer for the performance of services for	

a school district shall be in writing.

(2) (a) A teacher or chief administrative officer and the board may mutually agree to terminate the teacher's or chief administrative officer's employment contract at any time.

(b) Each employment contract executed pursuant to this section shall contain a provision stating that a teacher or chief administrative officer shall not terminate his or her employment contract with the board without the agreement of the board unless:

(I) If the teacher or chief administrative officer intends to terminate his or her employment contract for the succeeding academic year, the teacher or chief administrative officer gives written notice to the board of his or her intent no later than thirty days prior to the commencement of the succeeding academic year or, if a school district operates an alternative year program, not less than thirty days before the commencement of services under the employment contract; or

(II) If the teacher or chief administrative officer intends to terminate his or her employment contract for the current academic year after the beginning of the academic year, the teacher or chief administrative officer shall give written notice to the board of his or her intent at least thirty days prior to the date that the teacher or chief administrative officer intends to stop performing the services required by the employment contract.

(b.5) Each employment contract executed pursuant to this section shall contain a provision stating that a teacher or chief administrative officer shall accept the terms of the employment contract for the succeeding academic year within thirty days of receipt of the contract, unless the teacher or chief administrative officer and the district have reached an alternative agreement. If a teacher or chief administrative officer does not accept the terms of the employment contract within thirty days of receipt, the district shall be authorized to open the position to additional candidates.

(c) Each employment contract executed pursuant to this section shall contain a damages provision whereby a teacher or chief administrative officer who violates the provision required by paragraph (b) of this subsection (2) without good cause shall agree to pay damages to the school district, and the board thereof shall be authorized to collect or withhold damages from compensation due or payable to the teacher or chief administrative officer, in an amount equal to the lesser of:

(I) The ordinary and necessary expenses of a board to secure the services of a suitable replacement teacher or chief administrative officer; or

(II) One-twelfth of the annual salary specified in the employment contract.

(c.5) (I) The general assembly finds that, for the fair evaluation of a principal based on the demonstrated effectiveness of his or her teachers, the principal needs the ability to select teachers who have demonstrated effectiveness and have demonstrated qualifications and teaching experience that support the instructional practices of his or her school. Therefore, each employment contract executed pursuant to this section shall contain a provision stating that a teacher may be assigned to a particular school only with the consent of the hiring principal and with input from at least two teachers employed at the school and chosen by the faculty of teachers at the school to represent them in the hiring process, and after a review of the teacher's demonstrated effectiveness and qualifications, which review demonstrates that the teacher's qualifications and teaching experience support the instructional practices of his or her school.

(II) Repealed.

(III) (A) Any active nonprobationary teacher who was deemed effective during the prior school year and has not secured a mutual consent placement shall be a member of a priority hiring pool, which priority hiring pool shall ensure the nonprobationary teacher a first opportunity to interview for a reasonable number of available positions for which he or she is qualified in the school district.

(B) When a determination is made that a nonprobationary teacher's services are no longer required for the reasons set forth in subparagraph (VII) of this paragraph (c.5), the nonprobationary teacher shall be notified of his or her removal from the school. In making decisions pursuant to this paragraph (c.5), a school district shall work with its local teachers association to develop policies for the local school board to adopt. If no teacher association exists in the school district, the school district shall create an eight-person committee consisting of four school district members and four teachers, which committee shall develop such policies. Upon notice to the nonprobationary teacher, the school district shall immediately provide the nonprobationary teacher with a list of all vacant positions for which he or she is qualified, as well as a list of vacancies in any area identified by the school district to be an area of critical need. An application for a vacancy shall be made to the principal of a listed school, with a copy of the application provided by the nonprobationary teacher to the school district. When a principal recommends appointment of a nonprobationary teacher applicant to a vacant position, the nonprobationary teacher shall be transferred to that position.

(C) This subparagraph (III) shall take effect at such time as the performance evaluation system based on quality standards established pursuant to this section and the rules promulgated by the state board pursuant to section 22-9-105.5 has completed the initial phase of implementation and has been implemented statewide. The commissioner shall provide notice of such implementation to the revisor of statutes on or before July 1, 2014, and each July 1 thereafter until statewide implementation occurs.

(IV) If a nonprobationary teacher is unable to secure a mutual consent assignment at a school of the school district after twelve months or two hiring cycles, whichever period is longer, the school district shall place the teacher on unpaid leave until such time as the teacher is able to secure an assignment. If the teacher secures an assignment at a school of the school district while placed on unpaid leave, the school district shall reinstate the teacher's salary and benefits at the level they would have been if the teacher had not been placed on unpaid leave.

(V) Nothing in this section shall limit the ability of a school district to place a teacher in a twelve-month assignment or other limited-term assignments, including, but not limited to, a teaching assignment, substitute assignment, or instructional support role during the period in which the teacher is attempting to secure an assignment through school-based hiring. Such an assignment shall not constitute an assignment through school-based hiring and shall not be deemed to interrupt the period in which the teacher is required to secure an assignment through school-based hiring before the district shall place the teacher on unpaid leave.

(VI) The provisions of this paragraph (c.5) may be waived in whole or in part for a renewable four-year period by the state board of education pursuant to section 22-2-117, provided that the local school board applying for the waiver, in conjunction with the superintendent and teachers association in a district that has an operating

master employment contract, if applicable, demonstrates that the waiver is in the best interest of students enrolled in the school district, supports the equitable distribution of effective teachers, and will not result in placement other than by mutual consent of the teacher in a school district or public school that is required to implement a priority improvement plan or turnaround plan pursuant to article 11 of this title. Notwithstanding the provisions of this paragraph (c.5), a waiver shall not be granted for a request that extends the time for securing an assignment through school-based hiring for more than two years.

(VII) This paragraph (c.5) shall apply to any teacher who is displaced as a result of drop in enrollment; turnaround; phase-out; reduction in program; or reduction in building, including closure, consolidation, or reconstitution.

(d) The department of education may suspend the license, endorsement, or authorization of a teacher or chief administrative officer who fails to provide the notice required by paragraph (b) of this subsection (2) and who abandons, fails, or refuses to perform required services pursuant to an employment contract, without good cause.

(3) A teacher may be suspended temporarily during the contractual period until the date of dismissal as ordered by the board pursuant to section 22-63-302 or may have his or her employment contract cancelled during the contractual period when there is a justifiable decrease in the number of teaching positions. The manner in which employment contracts will be cancelled when there is a justifiable decrease in the number of teaching positions shall be included in any contract between the board of education of the school district and school district employees or in an established policy of the board, which contract or policy shall include the criteria described in section 22-9-106 as significant factors in determining which employment contracts to cancel as a result of the decrease in teaching positions. Effective February 15, 2012, the contract or policy shall include consideration of probationary and nonprobationary status and the number of years a teacher has been teaching in the school district; except that these criteria may be considered only after the consideration of the criteria described in section 22-9-106 and only if the contract or policy is in the best interest of the students enrolled in the school district.

(4) (a) Notwithstanding the provisions of section 24-72-204 (3) (a), C.R.S., upon a request from a school district or a school concerning a person applying for a position as a teacher, a school district may disclose to the requesting school district or school the reason or reasons why a teacher left employment with the original school district. Upon the specific request of a school district at which a teacher has applied for employment, a school district may disclose any pertinent performance record or disciplinary record of a teacher that specifically relates to any negligent action of the teacher that was found to have endangered the safety and security of a student or any disciplinary record that relates to behavior by the teacher that was found to have contributed to a student's violation of the school district's conduct and discipline code. The information disclosed pursuant to this paragraph (a) shall only be disclosed to personnel authorized to review the personnel file in the school district or school and to the person applying for a position as a teacher.

(b) No employment contract executed pursuant to this section shall contain a provision that restricts or prohibits a school district from disclosing to another school district or school the reason or reasons why a teacher left employment with the original school district or from disclosing to another school district any of the

	teacher's disciplinary or performance records pursuant to paragraph (a) of this subsection (4).

School Proposal	<b>Teacher Employment, Compensation and Dismissal Act of 1990 Section 22-63-302: Procedure for dismissal - judicial review</b>	Human Resource Management: Dismissals
Statute Description	<p>(1) Except as otherwise provided in subsection (11) of this section, a teacher shall be dismissed in the manner prescribed by subsections (2) to (10) of this section.</p> <p>(2) The chief administrative officer of the employing school district may recommend that the board dismiss a teacher based upon one or more of the grounds stated in section 22-63-301. If such a recommendation is made to the board, the chief administrative officer, within three days after the board meeting at which the recommendation is made, shall mail a written notice of intent to dismiss to the teacher. The notice of intent to dismiss shall include a copy of the reasons for dismissal, a copy of this article, and all exhibits which the chief administrative officer intends to submit in support of his or her prima facie case against the teacher including a list of witnesses to be called by the chief administrative officer, addresses and telephone numbers of the witnesses, and all pertinent documentation in the possession of the chief administrative officer relative to the circumstances surrounding the charges. Additional witnesses and exhibits in support of the chief administrative officer's prima facie case may be added as provided in subsection (6) of this section. The notice and copy of the charges shall be sent by certified mail to said teacher at his or her address last known to the secretary of the board. The notice shall advise the teacher of his or her rights and the procedures under this section.</p> <p>(3) If a teacher objects to the grounds given for the dismissal, the teacher may file with the chief administrative officer a written notice of objection and a request for a</p>	

hearing. Such written notice shall be filed within five working days after receipt by the teacher of the notice of dismissal. If the teacher fails to file the written notice within said time, such failure shall be deemed to be a waiver of the right to a hearing and the dismissal shall be final; except that the board of education may grant a hearing upon a determination that the failure to file written notice for a hearing was due to good cause. If the teacher files a written notice of objection, the teacher shall continue to receive regular compensation from the time the board received the dismissal recommendation from the chief administrative officer pursuant to subsection (2) of this section until the board acts on the hearing officer's recommendation pursuant to subsection (9) of this section, but in no event beyond one hundred days; except that the teacher shall not receive regular compensation upon being charged criminally with an offense for which a license, certificate, endorsement, or authorization is required to be denied, annulled, suspended, or revoked due to a conviction, pursuant to section 22-60.5-107 (2.5) or (2.6). If the final disposition of the case does not result in a conviction and the teacher has not been dismissed pursuant to the provisions of this section, the board shall reinstate the teacher, effective as of the date of the final disposition of the case. Within ten days after the reinstatement, the board shall provide the teacher with back pay and lost benefits and shall restore lost service credit.

(4) (a) If the teacher requests a hearing, it shall be conducted before an impartial hearing officer selected jointly by the teacher and the chief administrative officer. The hearing officer shall be selected no later than five working days following the receipt by the chief administrative officer of the teacher's written notice of objection. If the teacher and the chief administrative officer fail to agree on the selection of a hearing officer, they shall request assignment of an administrative law judge by the department of personnel to act as the hearing officer.

(b) Hearing officers shall be impartial individuals with experience in the conducting of hearings and with experience in labor or employment matters.

(c) Expenses of the hearing officer shall be paid from funds of the school district.

(5) (a) Within three working days after selection, the hearing officer shall set the date of the prehearing conference and the date of the hearing, which shall commence within the following thirty days. The hearing officer shall give the teacher and the chief administrative officer written notice of the dates for the prehearing conference and for the hearing including the time and the place therefor.

(b) One of the purposes of the prehearing conference shall be to limit, to the extent possible, the amount of evidence to be presented at the hearing.

(c) The parties and their counsel shall be required to attend the prehearing conference with the hearing officer.

(6) (a) Within ten days after selection of the hearing officer, the teacher shall provide to the chief administrative officer a copy of all exhibits to be presented at the hearing and a list of all witnesses to be called, including the addresses and telephone

numbers of the witnesses. Within seven days after the teacher submits his or her exhibits and witness list, the chief administrative officer and the teacher may supplement their exhibits and witness lists. After completion of the seven-day period, additional witnesses and exhibits may not be added except upon a showing of good cause.

(b) Neither party shall be allowed to take depositions of the other party's witnesses or to submit interrogatories to the other party. The affidavit of a witness may be introduced into evidence if such witness is unavailable at the time of the hearing.

(7) (a) Hearings held pursuant to this section shall be open to the public unless either the teacher or the chief administrative officer requests a private hearing before the hearing officer, but no findings of fact or recommendations shall be adopted by the hearing officer in any private hearing. The procedures for the conduct of the hearing shall be informal, and rules of evidence shall not be strictly applied except as necessitated in the opinion of the hearing officer; except that the hearing officer shall comply with the Colorado rules of evidence in excluding hearsay testimony.

(b) The hearing officer may receive or reject evidence and testimony, administer oaths, and, if necessary, subpoena witnesses.

(c) At any hearing, the teacher has the right to appear in person with or without counsel, to be heard and to present testimony of witnesses and all evidence bearing upon his proposed dismissal, and to cross-examine witnesses. By entering an appearance on behalf of the teacher or the chief administrative officer, counsel agrees to be prepared to commence the hearing within the time limitations of this section and to proceed expeditiously once the hearing has begun. All school district records pertaining to the teacher shall be made available for the use of the hearing officer or the teacher.

(d) An audiotaped record shall be made of the hearing, and, if the teacher files an action for review pursuant to the provisions of subsection (10) of this section, the teacher and the school district shall share equally in the cost of transcribing the record; except that, if a party is awarded attorney fees and costs pursuant to paragraph (e) of subsection (10) of this section, that party shall be reimbursed for that party's share of the transcript costs by the party against whom attorney fees and costs were awarded.

(e) Any hearing held pursuant to the provisions of this section shall be completed within six working days after commencement, unless extended by the hearing officer on a showing of good cause, and neither party shall have more than three days to present its case in chief. Neither party may present more than ten witnesses at the hearing, except upon a showing of good cause.

(8) The chief administrative officer shall have the burden of proving that the recommendation for the dismissal of the teacher was for the reasons given in the notice of dismissal and that the dismissal was made in accordance with the provisions of this article. Where unsatisfactory performance is a ground for dismissal, the chief administrative officer shall establish that the teacher had been

evaluated pursuant to the written system to evaluate licensed personnel adopted by the school district pursuant to section 22-9-106. The hearing officer shall review the evidence and testimony and make written findings of fact thereon. The hearing officer shall make only one of the two following recommendations: The teacher be dismissed or the teacher be retained. A recommendation to retain a teacher shall not include any conditions on retention. The findings of fact and the recommendation shall be issued by the hearing officer not later than twenty days after the conclusion of the hearing and shall be forwarded to said teacher and to the board.

(9) The board shall review the hearing officer's findings of fact and recommendation, and it shall enter its written order within twenty days after the date of the hearing officer's findings and recommendation. The board shall take one of the three following actions: The teacher be dismissed; the teacher be retained; or the teacher be placed on a one-year probation; but, if the board dismisses the teacher over the hearing officer's recommendation of retention, the board shall make a conclusion, giving its reasons therefor, which must be supported by the hearing officer's findings of fact, and such conclusion and reasons shall be included in its written order. The secretary of the board shall cause a copy of said order to be given immediately to the teacher and a copy to be entered into the teacher's local file.

(10) (a) If the board dismisses the teacher pursuant to the provisions of subsection (9) of this section, the teacher may file an action for review in the court of appeals in accordance with the provisions of this subsection (10), in which action the board shall be made the party defendant. Such action for review shall be heard in an expedited manner and shall be given precedence over all other civil cases, except cases arising under the "Workers' Compensation Act of Colorado", articles 40 to 47 of title 8, C.R.S., and cases arising under the "Colorado Employment Security Act", articles 70 to 82 of title 8, C.R.S.

(b) An action for review shall be commenced by the service of a copy of the petition upon the board of the school district and filing the same with the court of appeals within twenty-one days after the written order of dismissal made by the board. The petition shall state the grounds upon which the review is sought. After the filing of the action for review in the court of appeals, such action shall be conducted in the manner prescribed by rule 3.1 of the Colorado appellate rules.

(c) The action for review shall be based upon the record before the hearing officer. The court of appeals shall review such record to determine whether the action of the board was arbitrary or capricious or was legally impermissible.

(d) In the action for review, if the court of appeals finds a substantial irregularity or error made during the hearing before the hearing officer, the court may remand the case for further hearing.

(e) Upon request of the teacher, if the teacher is ordered reinstated by the court of appeals, or upon request of the board, if the board's decision to dismiss the teacher is affirmed by the court of appeals, the court of appeals shall determine whether the nonprevailing party's appeal or defense on appeal lacked substantial justification. If

	<p>the court of appeals determines that the nonprevailing party's appeal or defense on appeal lacked substantial justification, the court of appeals shall determine the amount of and enter a judgment against the nonprevailing party for reasonable attorney fees and costs incurred on appeal to the court of appeals. Any judgment entered pursuant to this paragraph (e) may be subject to stay as provided in rule 41.1 of the Colorado appellate rules.</p> <p>(f) Further appeal to the supreme court from a determination of the court of appeals may be made only upon a writ of certiorari issued in the discretion of the supreme court. Upon request of the teacher, if the teacher is ordered reinstated by the supreme court, or upon motion of the board, if the board's decision to dismiss is affirmed by the supreme court, the supreme court shall determine whether the nonprevailing party's appeal or defense on appeal to the supreme court lacked substantial justification. If the supreme court determines that the nonprevailing party's appeal or defense on appeal to the supreme court lacked substantial justification, the court shall determine the amount of and enter a judgment against the nonprevailing party for reasonable attorney fees and costs incurred on appeal to the supreme court. Any judgment entered pursuant to this paragraph (f) may be subject to stay as provided in rule 41.1 of the Colorado appellate rules.</p> <p>(11) (a) The board of a school district may take immediate action to dismiss a teacher, without a hearing, notwithstanding subsections (2) to (10) of this section, pending the final outcome of judicial review or when the time for seeking review has elapsed, when the teacher is convicted, pleads nolo contendere, or receives a deferred sentence for:</p> <p>(I) A violation of any law of this state or any counterpart municipal law of this state involving unlawful behavior pursuant to any of the following statutory provisions: Sections 18-3-305, 18-6-302, and 18-6-701, C.R.S., or section 18-6-301, C.R.S., or part 4 of article 3, part 4 of article 6, and part 4 of article 7 of title 18, C.R.S.; or</p> <p>(II) A violation of any law of this state, any municipality of this state, or the United States involving the illegal sale of controlled substances, as defined in section 18-18-102 (5), C.R.S.</p> <p>(b) A certified copy of the judgment of a court of competent jurisdiction of a conviction, the acceptance of a guilty plea, a plea of nolo contendere, or a deferred sentence shall be conclusive evidence for the purposes of this subsection (11).</p>
