

FastBridge: aReading Assessment

Cut-off Scores to Determine a Significant Reading Deficiency

2016-2017

Users of FAST should use the cut-off scores, for aReading, established by the authors to determine a Significant Reading Deficiency. FastBridge aReading users should use the scaled score. Students must be below the indicated Scaled Score in order to not be identified as having a Significant Reading Deficiency.

FastBridge aReading Scaled Scores (**student must be below the score**):

	Fall	Winter	Spring
Kindergarten	373	391	416
1 st Grade	416	440	453
2 nd Grade	450	470	477
3 rd Grade	475	482	489
