

Phonological Awareness Literacy Screening (PALS)

Cut-off Scores to Determine a Significant Reading Deficiency

2016-2017

Users of PALS will use the cut scores below established by the authors to determine a Significant Reading Deficiency. PALS users will use the summed score. Students must meet or exceed the summed scores in order to not be identified as having a Significant Reading Deficiency.

PALS Summed Scores:

	Fall	Winter	Spring
Kindergarten	29	71	83
1 st Grade	41	65	35
2 nd Grade	35	44	54
3 rd Grade	54	65	65
