

Phonological Awareness Literacy Screening (PALS) - English
Colorado Cut-off Scores to Determine a Significant Reading Deficiency 2022-23

Users of PALS will use the cut scores below to determine a Significant Reading Deficiency. PALS users will use the Summed Score. Students must meet or exceed the Summed Scores in order to not be identified as having a Significant Reading Deficiency.

Summed Scores for PALS:

	Fall	Winter	Spring
Kindergarten	29	71	83
1st Grade	41	65	35
2nd Grade	35	44	54
3rd Grade	54	65	65
