Type of Instructional Program: (Please describe if this is a comprehensive reading program, an intervention reading program, a supplemental program to be used in conjunction with another program. Also, please describe what students would be targeted for this instructional program. Use the columns below for your brief description)			
Comprehensive	Intervention	Supplemental to other programs	Students targeted
	QuickReads ©2012	QuickReads ©2012	QuickReads is used as an Intervention program for students in grades 2–6 struggling with comprehension due to lack of fluency and vocabulary. QuickReads can be used as a supplemental reading program for extra practice on fluent reading of content area passages.
If an intervention, describe what component of reading it addresses: Fluency, Vocabulary, Comprehension			
Grade Level: K 1 2 3 (Please circle the grade level(s) that the program is designed for.)			
Program Summary: (This section should be limited to 200 words and is your opportunity to let schools or districts know why they should choose this program.) QuickReads offers a quick and effective teacher-led instructional routine that develops consistent comprehension strategies within the context of short reading passages. It also supports building background knowledge by clustering multiple passages around high-interest topics students will encounter in science and social studies curricula, allowing the student to explore a subject in depth through a series of short focused readings. QuickReads is now listed as an Instructional Intervention Tool on the National Center on Response to Intervention (NCRTI) website. QuickReads received full bubbles in all categories.
