<b>Program Summary:</b> <p>Starfall Kindergarten is a magical, creative, sequential, and integrated reading and language arts curriculum that integrates content-area instruction in reading, social studies, science, and technology, all supported by stories and activities at More.Starfall.com and on the Starfall Viewer App.</p> <p>Starfall strikes a dynamic balance between teacher-directed instruction and child-directed learning. Teachers guide children as they explore their interests, contribute their insights, and encounter new information. Daily lessons include whole and small group instruction, and collaborative learning activities. Day 5 of each week is designated for review, during which children participate in learning centers while teachers conduct individual assessments.</p> <p>Starfall Kindergarten meets or exceeds both Common Core and Colorado Academic Standards. A study of the Starfall Curriculum in the Colorado Roaring Fork School District in 2013 demonstrated that <b>Starfall students far outpaced other students in reading proficiency</b> in all student subgroups.</p> <p>For more information, please visit: <a href="http://more.starfall.com/info/curriculum/kindergarten.php">http://more.starfall.com/info/curriculum/kindergarten.php</a>  To download the Starfall Kindergarten catalog, visit: <a href="http://more.starfall.com/downloads/N-info-curriculum/KindergartenCatalog-OrderForm.php">http://more.starfall.com/downloads/N-info-curriculum/KindergartenCatalog-OrderForm.php</a></p>
