

Important Dates for the 2014-2015 Student End of Year Snapshot

Regular Process

- **Monday, February 2nd** – Student End of Year snapshot opens
- **Friday, June 5th** – All districts create an End of Year snapshot. Snapshot must contain records
- **Thursday, June 25th** – All districts pass Student Interchange, Title I interchange, and Special Education Interchange level edits. Majority of data flows through to the snapshot.
- **Thursday, July 30th** – All districts have clean snapshots with no errors
- **Thursday, September 10th** – All districts submit their End of Year snapshots and approve initial Data Summary reports. This deadline is mandated under Colorado Administrative Rules.

Cross LEA validation – Phase A

- **Monday, September 28th to Thursday, October 22nd** – Cross LEA validation (reclaiming dropouts from prior collection years – formerly known as Post Collection Phase A)
 - If applicable, districts will be asked to participate in the Mini-Phase A post collection concerning transfers to facilities.

Post Cross LEA validation – Phase B

- **Thursday, October 29th to Thursday, December 3rd** – Post Cross LEA validation (verifying transfers and dropouts within Colorado – formerly known as Post Collection Phase B)
 - If applicable, districts will be asked to participate in the Mini-Phase B post collection concerning transfers to facilities

Final Dates

- **Friday, December 4th to Wednesday, December 9th** – Districts do a final review of graduation and dropout rates after the AYG reconciliation. (Any changes require a new sign off page)
- **Thursday, December 10th** – Superintendents must approve final Data Summary Reports (collection closes)
- **January 21st, 2016** – Official/final data and rates posted on the CDE web site and released to the public
