2015-2016 Special Education December Count

Purpose:
The purpose of the Special Education December Count Snapshot is to obtain data for the Annual Count of Students with Disabilities in the State of Colorado and the associated Staff members to fulfill Federal and State reporting requirements.

Student:
    Student data is used to meet federal reporting requirements, calculate Indicators 5, 6, 9, 10, generate sample lists for Indicator 8 Parent Surveys and record review, and determine ECEA funding for Students with Disabilities.

Staff:
    Staff data is used to meet federal reporting requirements and verify staff qualifications.

Dependencies:
- The SASID/LASID combination will be a unique identifier for all special education students.
  - If a student is in a districts jurisdiction then the student will be assigned a SASID which is updated in the RITS system. The student will also be assigned a unique LASID by the district.
- Special Education Students will be tracked through the Special Education IEP Interchange.
  - All special education students will have a record in a Special Education Participation file for their Admin Units.
  - All special education students will have a record in a Special Education Child file.
- Special Education Students who are part of a district will have records in the Student Enrollment interchange.
  - All special education students who are within a district's jurisdiction will have a record in the Student Demographic file.
  - All special education students who are with a district jurisdiction will have a record in the School Association file.
- Special Education staff or teacher's information will be captured by either a district or an Administration Unit. Staff/Teacher information will be contained in the Staff Profile & Assignments Interchange.
  - Employee has been assigned an EDID and demographic data is updated in the EDIS system.
  - All special education staff will have a record in the Staff Demographic file.
  - All special education staff will have a record in the Staff Assignment Association File Association file.

Criteria:

1. Criteria for Special Education **STAFF** December Count snapshot.
   - Special Education Flag = 1
   - Start date is December 1st or prior to December 1st of reporting school year
   - End Date is either blank (not ended) or post December 1st of the reporting school year

- o EDID is reported in both Staff Profile & Assignments Interchange (Profile and educational background) and Staff Assignment Association File files for reporting district.
- o Records with the following Employment Status Codes will be included: 11, 12, 13, 23, 25 or 26
- o The Staff Profile and Staff Assignment Association File will be joined based on the School year, the teachers EDID, the sped assignment flag = 1, the district (or Admin Unit), and the records being error free.

2. Criteria for Special Education **STUDENT** December Count snapshot.
   - o Date of Entry to Special Education is December 1st or prior to December 1st of the reporting school year. A record with a Date of Exit from Special Education prior to December 1st would not be included in the December Count.
   - o Data from the Student Enrollment Interchange will be based on the default tagging.
   - o Pull all error-free records from the Student Participation file and match them with records in the Student Profile interchange (Student Demographic file and School Association file). The Student Profile Interchange is the authoritative source for (SASID, LASID, Student's First Name, Student's Middle Name, Student's Last Name, Student's Gender, Student Date of birth, Student's Ethnicity, Student Race American Indian, Student Race Asian, Student Race Black, Student Race White, Student's Race Native Hawaiian or Other Pacific Islander, Grade level).
   - o The Special Education Child file, the Special Education participation file and the Student Profile file will be joined based on the following criteria: SASID, LASID, school year, district (or Admin Unit), and error free records.
   - o If the student is not part of a district then these fields will be pulled from the Special Education Child file.
   - o All additional fields will be pulled from the Special Education Student Participation file, except for federal race student and the ELL status, which are calculated.

Note: The primary key for the Special Education December Count Snapshot aligns with the primary key for the IEP Interchange, Student Interchange, and Staff Interchange.
