### **Purpose:**

The purpose of the Special Education Snapshot is to obtain discipline data on children with disabilities.

#### **Dependencies:**

Student has been assigned a SASID and updated in the RITS system.

Student has a record in the discipline interchange for:

• Discipline (contains Incident and Action data)

Student has a record in the Student and Enrollment interchange for:

- Demographics
- School Association

Student has a record in the Student Special Education Participation interchange file:

Primary Disability

#### Criteria:

Pull all error-free records from the Discipline Action file where the SPED\_DISCIPLINE\_ACTION\_FLAG = 1.

The records selected will be joined with data from the Student Demographics, Student School Association, Discipline, and Student Special Education Participation interchanges.

- For joining to Student, use District Code, School Year, and SASID.
- For joining to Student School Association, use District Code, School Code, School Year, and SASID where Date of Discipline >= Entry Date and Date of Discipline <= Exit Date (or Exit Date is null).
- For joining to Student Special Education Participation, use Admin Unit Code, School Code, School Year, and SASID where Date of Discipline >= Start Date and Date of Discipline <= End Date (or End Date is null).

Note: The primary key for the Discipline Snapshot aligns with the primary key for Special Education Discipline: Discipline Action

### **Internal Flags**

Internal flags are columns in the Special Education Discipline snapshot that are derived based on other values. These fields are not updatable or viewable by the LEAs and are used to simplify edit checks and the pulling of statistics.

### **FEDERAL RACE STUDENT**

**Federal Race/Ethnicity Reporting Category** - the single category used to classify the student or staff member in aggregated federal or state reporting such as pupil counts, graduation rates, and assessment results. This designation is based on the race and ethnicity information provided to the reporting district by the student (or his or her parent/guardian) or staff member.

## **DOCUMENT CHANGES**

Date	Description of change	Reason for change	Elements affected
06/17/2015	Eliminate the Discipline Incident file.  • Add "Incident Date" to the Action File • Remove the field "Habitually Disruptive Student" from the Action file • Remove the field "Referred to Alternative School or Program" from the Action file	Simplify the reporting process, by eliminating the need to link the Incident Identifier between the two discipline files Incident and Action.  Remove fields that were originally associated with the SDI collection now that there is a SDA collection.	<ul> <li>Incident Date</li> <li>Habitually Disruptive Student</li> <li>Referred to Alternative School or Program</li> </ul>
