Exit Type Codes that Remain in the Graduation Cohort Base

Listed below are the exit type codes that indicate that a student remains in a cohort graduation rate. Some exit codes may have adjustment codes applied later that remove the student from membership. Each code is based upon a student's last record within a district.

Exit/Withdrawal Type – The circumstances under which the student exited from membership in a district.

00	Student did not exit – Student completed the school year (i.e. did not exit or transfer before the end of the reported school year.)
-----------	---

Exit Codes – Permanent Withdrawals	
01	Reached maximum age for services – A student who left school because he or she has reached the maximum age to receive an education program allowed by federal, state, or local laws.

Exit Codes – Transfers	
12	Transfer to a detention center within district – A student whose educational services have moved from a public school to an educational program at a detention center within the district. School district staff members are providing the educational services at the detention center. Refer to the CDE Detention Center List on the data pipeline website Note: There are currently only 9 districts that operate detention centers. Only those 9 districts may use this exit code.
18	Transfer to a Career and Technical (vocational) Education program not administered by a Colorado school district or BOCES – A student who transfers to an occupational training program, recognized but not administered by the school district that leads to a certificate or other evidence of completion.
19	Transfer to a Licensed Eligible Approved Facility School or State Operated Program and is attending an on-grounds school – Student is publicly placed in and is attending an on-grounds educational program in a licensed Approved Facility School (e.g. Residential Child Care Facility, hospital), or in a state-operated program (e.g. Colorado School for Deaf and Blind, Pueblo Mental Health). Refer to the Approved Facility code on the CDE frequently requested codes page
21	Transfer to a facility operated by the Colorado Department of Corrections or Division of Youth Corrections – Student is <u>incarcerated</u> in a correctional facility. Note: Students transferring to a detention center should be coded with a 12 or 26 exit type code (12 if the center is operated by your district, 26 if operated by another Colorado school district.)
26	Transfer to a detention center (out of district) . A student whose educational services have moved from a public school to an educational program at a detention center. All districts may use this. Refer to the CDE Detention Center List on the data pipeline website

Exit Codes – Other Withdrawals	
30	Illness/Injury – A student who because of a serious/critical illness or injury was unable to complete this year's educational program and is not receiving educational services through a home-bound program. This code should not be used for exit due to pregnancy/child-birth, or for "minor" illness or injury from which the student is expected to return before the end of the reported school year.

40	Dropped out – A student who was enrolled in school at any time during the current school year, including summer, but leaves school for any reason other than one of the following exclusionary conditions: 1) transfers (with official documentation) to another public school district, private school, home based education program or other state- or district-approved educational program; 2) temporary absence due to suspension or expulsion; or 3) serious illness or death and does not complete their education. This would also include a student who was in membership the previous school year and who does not meet the above exclusionary conditions and does not return to school prior to the end of the school year. Typically only used for students in 7 th grade or higher (if PK – 6, use exit type code “06” instead.)
