

2025-2026 Facility Schools December Staff Data Elements, Definitions, and Instructions

Purpose:

The purpose of the Facility Schools System - December Staff is to provide a secure means for each approved facility school/program to submit education staff for the December Staff collection per federal data reporting requirements.

Dependencies:

Facility schools/programs: Each LEA Approver will log into the Data Pipeline and select Add Record from the left-hand menu. In Facility School Item, select the type of record to enter from the drop-down list: Program Identification or Staff. Enter data into the Program Identification section first, as this section contains data necessary for the system to generate Cognos reports. Once Program Identification data has been entered, you are ready to enter staff data into the Staff section. The current School Year will pre-populate. Select the facility school from the drop-down list. Select the facility school program from the drop-down list. Click the Green box to Add New Record.

Record Expectation:

- All education staff employed as of December 1st.
- Staff employed in Job Code 202-Special Education Teacher who is appropriately licensed and endorsed in an area of special education appropriate for the student disabilities served in the program. A special education teacher who is employed by a one teacher facility school program must be fully licensed and appropriately endorsed in special education. Employment on a temporary status is not allowed at a one teacher facility school program.
- Staff employed in Job Code 102-Special Education Director who is appropriately licensed and endorsed in Director of Special Education; this may be a full or part-time director employed by the facility school/program, or a director employed on a contractual basis.

File Notes:

- All data fields are required. Select value from drop down list or enter data into text fields.

Add Record Screen—School and Program Selection:

All data fields are required. Report field value by selecting from the drop-down list or entering data into the text fields.

Instructions—Program Identification

Program Identification - Add Record

Submit/Add Record - Once data entry is complete in the Program Identification input screen, click the Green box “Submit/Add Record”. Only one Program Identification is allowed for each facility school program. The Program Identification is the first section to complete, as this section contains the required data necessary for the system to generate Cognos reports.

Program Identification - Edit Record

Edit Record - If changes to existing Program Identification data are necessary, data is editable in the Edit Record screen. For updates, click on the box to the left to select the record, click on the field to update, make necessary changes, click the Green box “Save” to save December Staff updates.

Program Identification - Create Snapshot (Save Data)

Create a Snapshot - Creating a Snapshot tells the system you are finished entering information and allows the system to “save” data. When a Snapshot is created, the system will check for errors. Errors will either display in the Edit Record screen or in error reports. An email is generated to the LEA Approver at the time a Snapshot is created. There is no limit to the number of times a Snapshot is created. To ensure data is “saved” in the system, create a Snapshot frequently.
