

SPED Discipline Report Check List

This document provides an **optional** checklist which data respondents and their directors may use to track their progress through the review and submission of SPED Discipline Reports. This checklist was created in response to a request from the field. If you have any suggestions regarding the checklist, please email Alyssa Ohleyer at Ohleyer_A@cde.state.co.us.

The Checklist is color-coded to match the colors of the slides from the Discipline Report Webinar.

The first section of the checklist covers the reports that must be **reviewed** by directors **between August 23 and August 30, 2018**.

The second covers the reports that must be signed by directors and **submitted by August 30, 2018**.

This year the number of signature reports remains at two for special education directors (Flag Explanations are also required if there are flags in the Year to Year report, but this does not require a signature).

The data captured in the SPED Discipline Snapshot are used for Federal and Indicator reporting, to monitor state performance, and to examine issues related to disproportionality and in policy development decisions.

A signature report for districts was added last year at the request of special education directors. This report is to be sent by the district directly to your Administrative Unit Data Respondent - this report is not collected by CDE.
