9:35 am: Recommendation Discussion

- *Thoughts on April 9th public comment presentation – do people have a response?*
- *Thoughts on the Data Suppression presentation – does this address the concerns of the task force? Are there further issues that need to be addressed through recommendation?*
- *Thoughts on school finance, funding for our recommendations and whether we make a formal recommendation to endorse the overlapping recommendations of the other task forces (i.e. school finance, accountability, substance use)? Do we need CDE staff or other task force members to speak to our group about the coordination and implementation of other task force recommendations?*
