

V. Charter/Out-Of-District Transcript Processing

A. For a reference list of DPS Charter Schools with contact information, refer to the [appendix](#). The first two schools referenced in this section (**Life Skills** and **P.S.1**) are no longer active charters, but students with transcripts generated at these locations will continue to matriculate for several years. The other examples illustrate charter schools that do not use Infinite Campus as their student information system. These examples show how various sections within a given transcript drive data entry into IC's fields.

**** NOTE **** The values indicated on the transcripts are not necessarily transferred directly *as shown* on the transcript (e.g. **".5"** Carnegie Units equals 5 traditional DPS credits).

Credits Earned at Colorado High School	
Course Selection	<p>Refer to the Master Course Catalog</p> <p>http://transcriptsupport.dpsk12.org/course-code-management-2/</p>
Credit Conversion	<p>Credits shown on the transcript are in Carnegie Units. The decimal place needs to be shifted one place to the right to enter for a general DPS High School.</p> <p>Enter the credits as they appear on the transcript.</p>
Additional Notes:	<ul style="list-style-type: none"> • Since Colorado High Charter's school year consists of 6 blocks, the "Calendar Term" is always 6, and "Terms Long" is always 1. • Scores of "P" should be given credit earned and attempted, but should not be given a GPA weight • Otherwise follow instructions in the Transcript Data Entry section of the manual

Explanation of Academic Credits - Colorado High School is a core curriculum school where students attend six academic classes each day: Language Arts, History, Science, Math, and Enrichment/Art and Foundations/Reading Strategies. The material covered in each class changes with each new block. Each block consists of five to six weeks of academic learning. There are six blocks each school year. Based on completion of course work and attendance students have the opportunity to earn 1.80 credits per block (each class is worth a possible .30). Students must earn 24 credits for graduation.

The amount of credit a student earns is tied to his or her attendance at Colorado High. After one absence in a class each subsequent absence is equal to a .03 credit deduction from the possible .30. Students have the opportunity to make up absences by attending study hall before or after school (see matching color area on the Colorado High transcript for examples).

Colorado High School Charter provides students with a progress report at the end of each learning block. There are several codes aside from the standard letter grades that are available to teachers and the administration to indicate a student's performance. The codes are allocated as follows:

NR = Not Required (equivalent to a "P")	The student met with an administrator and received a reduced schedule due to extenuating circumstances or because school requirements have already been met.
NS = No Show (equivalent to an "F")	The student registered for school and did not attend classes.
I = Incomplete (equivalent to an "F")	The student received a failing grade, did not complete all the work assigned for the class, or was absent too many times throughout the block (and did not make up the class hours) to receive credit.

Credits Earned at Escuela Tlatelolco	
Course Selection	Refer to the Master Course Catalog http://transcriptsupport.dpsk12.org/course-code-management-2/
Credit Conversion	The credits are already in DPS style; no conversion is necessary. Enter all credits as they appear on the transcript.
Additional Notes:	<ul style="list-style-type: none"> • “N/C” (“No Credit”) should be reflected with a 0 in “GPA Weight” and “Credit Earned”. For “Credit Attempted”, enter 2.5 per course (since Escuela is on a quarter system). • Scores are interpreted on a “Pass/Fail” basis; use “P” or “F” with no associated numbers so as to leave the GPA unaffected. • “Calendar Terms” are always 4, to reflect Escuela’s quarter system.

6. Colorado’s Finest Example:

Colorado’s Finest: Is an example of an Englewood School District transcript. These transcripts have several unusual conditions:

- “Credits Earned” column is not always a mathematical sum of the credits for all the years, plus the transfer credit total. The “Credits Earned” fields are summed to the nearest “0.25” increment, with the remaining credits rolled into a segment elective, in increments of “.25” (with any residual credits going towards the “General Elective” segment)
- There are no grades to translate. All credits are given a grade of “P”
- This evaluation procedure is a subset of the overall entry instructional time

STUDENT CREDIT for TRANSFER

COLORADO'S FINEST ALTERNATIVE HIGH SCHOOL
2323 WEST BAKER,
ENGLEWOOD, CO 80110

Student Name _____
ADDRESS: _____
CITY, ST, ZIP: _____

1277	Introduction to Acting	Introduction to Acting; m

Additional Insight: If a course has “.50” or fewer credits, use the “Semester 1” course option for entry. If a course has greater than “.50” credits reflected, use both the “Semester 1” and “Semester 2” course options to show a full year’s coursework:

TRANSFER CREDIT	School Year	Class Description	Transfer Credit Total	Post Second	2009	2010	2011	2012	Credits Earned	Credit Required
Math		Algebra			.24	.21		0.25	.75	
		Algebra II							.75	
		Geometry							.75	
		Math Elective	.32	.41	.09			1.00	1.00	
		Biology			.24			0.00	.75	
Earth/Env Science				.14			0.00	.75		

2. Use the last school year when the class was taken to reflect all credits on the “Credits Earned” column when entering the information into IC.

STUDENT TRANSFER CREDIT	School Year	Class Description	Transfer Credit Total	Post Second	2009	2010	2011	2012	Credits Earned	Credit Required
English		American Literature	0.25			.21	.19		0.50	.50
