QUALITY STANDARD I
Special Services Providers demonstrate mastery of and expertise in the domain for which they are responsible.

|-------------------|-------------------|------------------------------------------|-------------------|-------------------|

**ELEMENT B:** Special Services Providers demonstrate knowledge of effective services that reduce barriers to and support learning.

**THE SCHOOL ORIENTATION AND MOBILITY SPECIALIST:**

1. Has basic knowledge of how orientation and mobility programming can support learning and reduce barriers in a variety of situations to promote safe, efficient, and independent travel, which may include home, school, and/or community environments.

2. Understands how to scaffold the orientation and mobility curriculum to reduce barriers to and support student learning in academic and nonacademic content areas, and safe, efficient, and independent travel within the home, school, and/or community environments, based on the ability and needs of individual students.

3. Provides individualized specially designed instruction and effective service in collaboration with others to reduce barriers and support learning in academic and nonacademic content areas and promote safe, efficient, and independent travel in the home, school, and community environments as a result of orientation and mobility instruction that is tailored to their individualized ability and needs.

4. **STUDENTS:**
   - Demonstrate learning in academic and nonacademic content areas and safe, efficient, and independent travel in the home, school, and community environments as a result of orientation and mobility instruction that is tailored to their individualized ability and needs.

5. **SIGNIFICANT ADULT(S):**
   - Consult with the School Orientation and Mobility Specialist to reduce barriers to and support student learning in academic and nonacademic content areas and safe, efficient, and independent travel in the home, school, and community environments.
**QUALITY STANDARD I**  
Special Services Providers demonstrate mastery of and expertise in the domain for which they are responsible.

|-------------------|-------------------|----------------------------------------|------------------|------------------|

**ELEMENT C:** Special Services Providers demonstrate knowledge of their professions and integrate evidence-based practices and research findings into their services.

**THE SCHOOL ORIENTATION AND MOBILITY SPECIALIST:**

1. Identifies sources of evidence-based practices to obtain relevant current research related to and specific to orientation and mobility.

2. Understands the content of the Expanded Core Curriculum including orientation and mobility, recreation and leisure, independent living skills, and social skills.

3. Remains current with evidence-based orientation and mobility practices specific to assessment and programmatic instruction to provide services to meet individual student needs.

4. Develops a program repertoire of orientation and mobility based on evidence-based practices with consideration of the students’ individual skills and abilities.

**THE SCHOOL ORIENTATION AND MOBILITY SPECIALIST:**

5. Designs and implements evidence-based interventions to meet the individual needs of students.

6. Implements lessons and uses evidence-based materials to assure that learning objectives are met in the areas of the Expanded Core Curriculum.

**STUDENTS:**

7. Improve their efficiency and independent travel knowledge and skill through evidence-based orientation and mobility instruction.

8. Generalize learned knowledge and skills to a variety of environments, which may include but are not limited to home, school, and/or community.

9. Interact with materials and equipment, ask questions, and solve relevant problems, while making connections to prior learning.
QUALITY STANDARD II
Special Services Providers support or establish safe, inclusive, and respectful learning environments for a diverse population of students.

|-------------------|-------------------|-----------------------------------------|-------------------|-------------------|

**ELEMENT A:** Special Services Providers foster a safe, accessible, and predictable learning environment characterized by acceptable student behavior and efficient use of time in which each student has a positive, nurturing relationship with caring adults and peers.

**THE SCHOOL ORIENTATION AND MOBILITY SPECIALIST:**

1. Understands and articulates the importance of a safe, accessible learning and travel environment in which students with blindness/visual impairment or deaf-blindness experience positive, nurturing relationships with caring adults and/or peers.

2. Provides expectations and guidelines to establish acceptable student behavior and efficient use of time during orientation and mobility lessons.

3. Establishes travel environments which encourage positive relationships between and among students and adults that are conducive for the safety, accessibility, efficiency, and travel independence of students with blindness/visual impairment or deaf-blindness.

4. Conveys to the student, social and behavioral expectations in a variety of environments.

5. Puts expectations and procedures in place to reduce interruption to instructional time.

6. Collaborates with parents and other professionals to improve safety and accessibility across the students travel environments.

7. Ensures a continuum of services, which promote a student’s sense of acceptance by peers and adults and promotes the student’s positive self-concept.

8. Holds students accountable for adherence to school and/or community rules and social conventions.

9. Engage in respectful and open dialogue with each other and their Orientation and Mobility Specialist.

10. Stay on task during lessons.

11. Abide by instructor, school, and/or community rules and social conventions.

12. Use experience of traveling in safe and accessible environments to discern and negotiate new travel environments.

13. Accept responsibility for their behavior and use of time.

**STUDENTS:**

9. Engage in respectful and open dialogue with each other and their Orientation and Mobility Specialist.

10. Stay on task during lessons.

11. Abide by instructor, school, and/or community rules and social conventions.

12. Use experience of traveling in safe and accessible environments to discern and negotiate new travel environments.

13. Accept responsibility for their behavior and use of time.
QUALITY STANDARD II
Special Services Providers support or establish safe, inclusive, and respectful learning environments for a diverse population of students.

|-------------------|-------------------|----------------------------------------|-------------------|-------------------|

**ELEMENT B:** Special Services Providers understand and respond to diversity within the home, school, and community.

**THE SCHOOL ORIENTATION AND MOBILITY SPECIALIST:**
1. Identifies individual differences, cultural beliefs and customs, and their influence on independent travel and participation in orientation and mobility programming.
2. Creates an environment in which student diversity is valued.

... and **THE SCHOOL ORIENTATION AND MOBILITY SPECIALIST:**
3. Considers individual differences, cultural beliefs and customs, and their influence when planning orientation and mobility instruction.
4. Implements instruction that honor individual differences, cultural beliefs and customs, and their influence on safe, efficient, and independent travel in home, school, and/or community environments.

... and **STUDENTS AND/OR SIGNIFICANT ADULT(S):**
5. Recognize and are personally respectful of diversity among others and the influences of student and family backgrounds, cultures, and experiences.
6. Advocate respect of others for the backgrounds, cultures, and experiences of others in the school and community settings.
QUALITY STANDARD II
Special Services Providers support or establish safe, inclusive, and respectful learning environments for a diverse population of students.

|-------------------|-------------------|----------------------------------------|-------------------|-------------------|

**ELEMENT C:** Special Services Providers engage students as individuals with diverse needs and interests, across a range of ability levels by adapting services for the benefit of students.

**THE SCHOOL ORIENTATION AND MOBILITY SPECIALIST:**
1. Identifies individual student’s interests, strengths, and needs.
2. Establishes priorities and goals based on each student’s interests, strengths, and needs.
3. Designs and adapts interventions to reflect each student’s interests, strengths, and needs.
4. Understand the importance of each student’s interests, strengths, and needs in achieving goals.
5. Advocate for supports based on interests, strengths, and needs of each student.

**STUDENTS AND/OR SIGNIFICANT ADULT(S):**
4. Understand the importance of each student’s interests, strengths, and needs in achieving goals.

**ELEMENT D:** Special Services Providers work collaboratively with the families and/or significant adults for the benefit of students.

**THE SCHOOL ORIENTATION AND MOBILITY SPECIALIST:**
1. Recognizes the value of building relationships with students, families, and significant adults.
2. Establishes effective relationships with students, families, and significant adults.
3. Establishes a learning environment that is inclusive of families and significant adults.
4. Uses a variety of methods to communicate the importance of orientation and mobility skills in the environments in which students function.
5. Monitors student accomplishment in collaboration with the student, family, and other professionals and adjusts the student’s instruction accordingly.
6. Partners with families and significant adults to help students meet education goals.
7. Communicate pertinent information (medical, home, and community) with the Orientation and Mobility Specialist that may impact student participation across educational activities and travel environments.
8. Communicate with Orientation and Mobility Specialist a desire to access community resources and services.
9. Seek the Orientation and Mobility Specialist as a resource to support student needs.
10. Partner with the Orientation and Mobility Specialist to support and collaborate with the student’s educational community environment.
QUALITY STANDARD III
Special Services Providers plan and deliver effective services in an environment that facilitates learning for their students.

|-------------------|-------------------|------------------------------------------|-------------------|-------------------|

**ELEMENT A:** Special Services Providers apply knowledge of the ways in which learning takes place, including the appropriate levels of intellectual, physical, social, and emotional development of their students.

**THE SCHOOL ORIENTATION AND MOBILITY SPECIALIST:**
1. Understands the relevance of child development and impact of blindness/visual impairment and deaf-blindness to human development.
2. Assesses the needs of students to plan and provide instruction from an orientation and mobility curriculum which emphasizes safe, efficient, and developmentally appropriate travel skills.
3. Applies knowledge of child development across multiple domains to support students’ access and participation in the school environment and enhance students’ developmentally appropriate travel skills.

**THE SCHOOL ORIENTATION AND MOBILITY SPECIALIST:**
4. Plans, implements, and evaluates lessons to accomplish student goals based on multiple forms of informal and formal assessment data.

**STUDENTS AND/OR SIGNIFICANT ADULT(S):**
5. Understand the unique role of Orientation and Mobility Specialist’s to support and assist students to access, participate, and travel within their home, school, and/or community environments.
6. Communicate pertinent information to the orientation and mobility evaluation process.

**ELEMENT B:** Special Services Providers utilize formal and informal assessments to inform planning and service delivery.

**THE SCHOOL ORIENTATION AND MOBILITY SPECIALIST:**
1. Identifies multiple forms of informal and formal assessment related to orientation and mobility performance.
2. Utilizes multiple forms of assessment (informal and/or formal) related to orientation and mobility performance to inform instruction.
3. Accurately interprets and communicates evaluation findings with student, family, and school team members.
4. Plans, implements, and evaluates lessons to accomplish student goals based on multiple forms of informal and formal assessment data.

**STUDENTS AND/OR SIGNIFICANT ADULT(S):**
5. Communicate pertinent information to the orientation and mobility evaluation process.
6. Actively participate in formal and informal assessments and in the interpretation of the resulting data.
QUALITY STANDARD III
Special Services Providers plan and deliver effective services in an environment that facilitates learning for their students.

|-------------------|-------------------|-----------------------------------------|-------------------|-------------------|

**ELEMENT C:** Special Services Providers integrate and utilize appropriate available technology to engage students in authentic learning experiences.

**THE SCHOOL ORIENTATION AND MOBILITY SPECIALIST:**

1. Is aware of appropriate available technology supports specific to orientation and mobility.

2. Uses appropriate available assistive technology effectively in collaboration with the educational team to maximize student outcomes.

3. Selects, recommends, demonstrates, and trains the use of appropriate available assistive technology to support student participation and travel within the educational setting.

4. Communicates with district administration about the use, selection, and purchase of appropriate and available assistive technology needed by students.

5. Express preferences for appropriate available assistive technology.

**STUDENTS AND/OR SIGNIFICANT ADULT(S):**

6. Use a variety of appropriate available assistive technology to improve orientation and mobility skills in home, school, and community environments with support from significant adults.

**ELEMENT D:** Special Services Providers establish and communicate high expectations and use strategies to support the development of critical-thinking, problem-solving skills, and self-advocacy.

**THE SCHOOL ORIENTATION AND MOBILITY SPECIALIST:**

1. Understands the importance of having high expectations for all students.

2. Develops orientation and mobility goals that challenge the students’ current level of performance.

3. Collaborates with the team to choose activities that provide the student with an appropriate level of challenge.

4. Provides opportunities for students to practice critical thinking, self-advocacy,

5. Consult with the Orientation and Mobility Specialist on opportunities and strategies that promote critical thinking, problem-solving, and self-advocacy during travel tasks.

**STUDENTS AND/OR SIGNIFICANT ADULT(S):**

6. Demonstrate critical thinking, problem-solving, and self-advocacy skills using individualized accommodations and modifications to improve orientation and mobility skills with support from significant adults.
