

Australia Exchange Opportunity

Teachers, Principals, Support Staff, and other licensed school personnel are invited to apply for a one-year exchange with educators in the Australian states. Educators from both public and private schools are eligible. It offers new approaches to current issues in the classroom and educational community. This is an excellent opportunity for professional development as an educator. State legislation authorizes and urges districts to effect exchanges.

Applications must be postmarked by January 2, 2018 for the exchange year 2019.

Minimum Qualifications:

- 4 1/2 years of teaching/professional experience
- 3 years in your current school district/hiring authority
- 3 years since your last exchange
- a Colorado educator license
- principal and district/hiring authority approval

The CITEL application may be downloaded from <http://www.coloradoteacherexchange.us>

Informational meetings will be held on several dates, but come early so you have more time to prepare.

It is **strongly** recommended that you attend a meeting. If you are unable to attend, please contact the person listed on how to gain further information.

"The Colorado State Board of Education fully endorses Teacher Exchange Programs in Colorado as a staff development and community enrichment resource for Colorado schools."

Come to an information meeting to learn more.

Informational meetings will be presented at several sites. Please attend the meeting that is convenient to you.
