## COLORADO INTERAGENCY TRANSITION TEAMS VIRTUAL LEARNING COMMUNITIES

**Join an opportunity to learn, share and build the knowledge around best practices in transition!**

The Colorado Department of Education in collaboration with the Division of Vocational Rehabilitation and the new Office of Employment First will facilitate learning communities this school year to promote and enhance the quality of transition services for students with disabilities. The learning communities will focus on the tools provided by Transcen to support resource mapping and the sequencing and coordination of services. Please join in these opportunities!
