Equity and Excellence Conference: Theory to Practice

November 3-4, 2016

Conference Themes

- Systematic Delivery of Services
- Supplemental Instruction
- Engaging Students
- Great Teachers and Leaders
- Effective Differentiation
- Sustainable Partnerships

Who: Special Education Directors and Federal Program Administrators, Superintendents, Principals, Fiscal Managers

What: Equity and Excellence Conference: Theory to Practice

When: November 3rd and 4th, 2016

Where: **Colorado Convention Center, Denver CO

Why: We know WHAT we need to do, but HOW do we do it?

How: Convene local practitioners to share ideas, successes, and lessons learned

Please save the dates and plan to join us as we strive to serve all students across the state.

CALL FOR PROPOSALS: Understanding that schools and districts are implementing successful approaches to the conference themes listed, the Colorado Department of Education invites you to share your expertise with the field. Find out more by viewing the Call for Proposals at <https://www.surveymonkey.com/r/2016eeproposal>. **Proposals are due August 31, 2016.**

Sponsored by Exceptional Student Services Unit and the Federal Programs Unit.

****Location is tentative, still in the final stages of negotiations**
