

School Accountability: 1-year 2016 PARCC/DLM Math data, and 3-year 2014 TCAP/COALT Math data (2012, 2013, and 2014 combined). Counts are based on students meeting inclusion/exclusion rules for school accountability (October new to school, etc.). Students excluded represent the number of students in schools not meeting the minimum n for that group of students.

Impact of Minimum N of 16 versus 20 Students: Number of Schools Included
