

Every Student Succeeds Act (ESSA) Listening Tour

Feedback Form: Standards, Assessments, and Accountability

Session Location and Time: _____

Name, Title, and Organization (optional): _____

Discussion Question #1: How should we measure student progress toward meeting the standards?

Discussion Question #2: What measures of school quality or student success should be included in the school accountability system?

Discussion Question #3: How should the state consider the 95% assessment participation requirement?

Discussion Question #4: Should school improvement funds be awarded as formula or competitive grants?

Discussion Question #5: What supports and services can CDE provide that would be helpful to districts with schools on improvement?

Discussion Question #6: What is an appropriate length of time before more intensive interventions should be required for “consistently underperforming” schools/subgroups?

Other comments about standards, assessments, and accountability:

Thank you for your feedback! A brief evaluation survey will be sent to you following this listening session for you to share your experience so the CDE may improve future listening tour sessions.
