

Language Specialists: Engaging Multilingual Newcomers

Designed for language specialists working with multilingual learners who have recently arrived in the United States or are new to U.S. schools.

This eWorkshop explores how K-12 language specialists can engage a network of educators to support multilingual newcomers in their schools. Participants will learn how to:

- Respond to the social and emotional needs of newcomers.
- Implement instructional strategies to advance a shared vision of language development and content learning for newcomers.
- Build relationships and systems to support the integration of newcomers into a school community.

Participation Requirements
