G.E.T. (Gifted Education Tuesday)

Please join us for our 2016-2017 G.E.T. sessions this year!

Save the following dates from 4:00 PM to 5:30 PM:

October 4th: ALPs & MTSS: Using the MTSS and RTI frameworks to identify and support your students with gifts and talents

December 6th: Asset Based Frame of Mind: Understanding how looking at the whole child can shape your pedagogy and practice when working with students who possess gifts and talents

February 7th: Differentiation vs. Personalization: Shifting your mindset from “differentiation” to “personalization” to ensure equity in education for your students with gifts and talents

April 4th: Surviving Testing Season and Transition : Looking ahead to transitioning your students with gifts and talents to the next level

All sessions will be available online in a webinar platform.

More information will be available on the date of the session via the Colorado Department of Education Gifted Education site. You can access this page at www.cde.state.co.us/gt
