

GT On-line Module TOT— Technical Training

This is the course to learn how to maneuver around the instructor's side of the Javits on-line modules. (It is required before you can take any of the actual content portions—see separate flyer)

Join us for a morning of technical training via Adobe Connect format. No need to travel, just hook into the internet with a phone line handy for audio if needed. The training will be interactive and give you time to ask clarifying questions throughout.

When: March 2 , 8-11:30 a.m.

Facilitator Requirements:

- Background or endorsement in gifted education
- Masters degree in some field. (Necessary as these courses offer college credit.)

Facilitator Expectations:

- Attend Training of Trainers session for technical piece, March 2.
- Attend Training of Trainers session for each course you would like to offer, which is done via Adobe Connect in April. (see separate flyer)
- Facilitators will be asked to offer at least one course within the next twelve months.
- Time commitment varies depending upon the course being facilitated.
- Facilitators should anticipate spending about 2 hours per week for a full roster of participants in the class they facilitate.
- Facilitator compensation is the decision of the local district or BOCES sponsoring the online professional development experience. If facilitation is done off district contract \$25-\$40 per student participating in course is suggested fee.
- Facilitator is expected to follow all district guidelines with respect to professional development.
