

2010-2011 Twice Exceptional Workshops Levels 1 and 2

Sponsored by Colorado Department of Education

Who should attend?

Teams from your district, school, or BOCES should register and attend together. Each team will work together and will receive materials for their district. This team might consist of individuals from the following categories:

- Gifted educators
- General educators
- Special educators
- Counselor/psychologists
- Administrators
- Parents

Level 1 Workshop

Designed to provide you with:

- the ability to articulate the paradoxical and complex needs of twice exceptional students
- an awareness of how the learning environment and teaching style impact the success of twice exceptional students
- a review of the basics of RtI for use in twice exceptional identification and programming
- the ability to define and utilize strength-based programming within an RtI framework in the development of an educational plan
- the skills necessary to identify evidence-based strategies for twice exceptional students
- suggestions for working with twice exceptional parents
- the opportunity to collaborate with others in order to develop an educational plan that is responsive to the student's profile
- examples of written learning plans (e.g. ALP, IEP, 504)

*Who are these children?
How can we program for their needs?
Who should be involved?*

Level 2 Workshop

Designed to provide you with:

- an awareness of how the learning environment and teaching style impact/influence the success of the twice exceptional student
- practice in the use of a Response to Intervention (RtI) problem-solving model to analyze data from a variety of sources to identify:
 - student strengths
 - student needs
 - potential interventions
 - delivery options for twice exceptional students
- strategies and resources to address both strengths and challenges of twice exceptional students
- the opportunity to collaborate with your school team in order to develop an educational plan that is responsive to your own case study
- an opportunity to collaborate with your school team to develop written learning plans (e.g. ALP, IEP, 504)
- the opportunity to discuss various twice exceptional programming options in districts (large, small, urban, rural)
