A Review of Resources from the Regional Nurse Specialists
January 2015

WORKSHOPS, CLASSES, AND WEBINARS:

CU College of Nursing - Office of Lifelong Learning  303-724-6883  NursingCE@ucdenver.edu
This office usually offers a course in Motivational Interviewing every fall with the following faculty:

Paul Cook, PhD
Associate Professor
CU College of Nursing
Licensed Clinical Psychologist

Laurra M. Aagaard, MA, MS
Professional Research Assistant & Program Manager, CU College of Nursing
Counselor

The Cu College of Nursing – Office of Lifelong Learning also offers an extensive, excellent on-line course by the Paul Cook and Laurra Aagaard that has 10 hours of continuing education credit.

TRAINING MATERIALS:
For your learning, practicing, and teaching others

HealthTeamWorks: “HealthTeamWorks was founded as the Colorado Clinical Guidelines Collaborative (CCGC) to convene stakeholders to create evidence-based clinical guidelines for Colorado providers. As the organization expands its mission, we continue to develop new and revised guidelines as the foundation of quality care.” http://www.healthteamworks.org/guidelines

Motivational Interviewing resources: http://www.healthteamworks.org/guidelines/motivational-interviewing.html

Motivational Interviewing Network of Trainers (MINT):  http://www.motivationalinterviewing.org/

“This web site provides resources for those seeking information on Motivational Interviewing. It includes general information about the approach, as well as links, training resources, and information on reprints and recent research.

In addition to the contributions of Professors Miller and Rollnick, the site has benefited from the input of members of the Motivational Interviewing Network of Trainers (MINT), and hosts information about the MINT
organization. In addition to providing information on Motivational Interviewing, the site serves as a resource for agencies or organizations who wish to find a skilled and knowledgeable trainer to assist them in implementing or supplementing current motivational services.

**American Academy of Pediatrics:**  [http://ihcw.aap.org/resources/Pages/default.aspx](http://ihcw.aap.org/resources/Pages/default.aspx)

Here is a fun way of learning and practicing “Change Talk”. Change Talk is an interactive training simulation to help pediatricians and other health professionals learn motivational interviewing techniques to counsel families on childhood obesity.
