SB 21-255

Menstrual Hygiene Products Accessibility Grant Program
Program Year 2 - Presented 10-4-2022

Application Deadline: October 28, 2022 11:59 pm

General Information

[SB 21-255](#) “Free Menstrual Hygiene Products to Students” was signed into law on July 6, 2021. The law created the Menstrual Hygiene Products Accessibility Grant Program to provide menstrual hygiene products at no expense to students and make products accessible to a student regardless of the student’s gender identity.

Eligible applicants may apply to receive funds to

- acquire and distribute menstrual hygiene products (tampons, menstrual pads, and pantliners) at no expense to students,
- or install and maintain a dispensing machine or disposal receptacle for menstrual hygiene products.

Approximately \$100,000 is available to award for the 2022-2023 school year.

Eligibility

Eligible applicants for this program are...

- A Local Education Provider (LEP) that has **50%** or more students enrolled who are eligible for free or reduced-cost lunch.
- The Colorado School for the Deaf and the Blind
- An approved facility school, as defined in section 22-2-402(1) C.R.S.

Please review Appendix B in the RFA for a full list of eligible applicants and school code numbers.

- A Charter School authorized by the Charter School Institute (CSI)
- A Board of Cooperative Services (BOCES)

NOTE

- Applications must be authorized and submitted through the LEP
- A charter school's authorizer will be the fiscal agent, if funded

Available Funds

- Approximately \$100,000 is available for the 2022-2023 SY.
- Grants will be awarded for a one-year term beginning in the 2022-2023 fiscal year.
- Additional grant funding for subsequent years will be contingent upon annual appropriations by the State Legislature and upon grantees meeting all grant, fiscal and reporting requirements.
- Funded applicants for the 2022-2023 school year are not guaranteed any additional funding beyond the 2022-2023 year at this time.
- Funds must be expended by June 30, 2023.

Grant Funding Distribution

- Available grant funding will be distributed to eligible Education Providers, based on the number of applications received, in an amount that is proportionate to the numbers of students and restrooms indicated in the submitted application.
- Awards will likely range from \$1,000 to \$5,000, based on the amount of funding requested and the number of applications received.
- In the event that funding requests exceed the amount of funding available, first-time program participants will be prioritized.

Evaluation and Reporting

Each Education Provider that receives a grant through the Menstrual Hygiene Products Accessibility Grant Program is required to report, at a minimum, the following information to the Colorado Department of Education on or before [September 29, 2023](#):

- The amount of money spent on the acquisition and distribution of menstrual hygiene products; and
- The amount of money spent on the installation and maintenance of a dispensing machine or disposal receptacle for menstrual hygiene products.
- Number of schools served with this funding.

Approved LEPs receiving funds will be required to submit the End-of-Year Report via a smartsheet form.

Frequently Asked Questions

Facility schools are not listed on Appendix B as eligible local education providers. Are facility schools eligible?

Appendix B lists eligible Local Education Providers (LEPs). Facility schools do not meet the definition of an LEP; however, eligible applicants include an approved facility school, as defined in section 22-2-402(1) C.R.S.

The list of approved facility schools and school codes can be found on this page:

http://www.cde.state.co.us/datapipeline/org_orgcodes

Click on the link labelled: “Allowable Approved Facility Schools and Other Agency Codes”

Are private schools eligible?

A list of eligible schools is included in the RFA, Appendix B. There are no private schools eligible on this list.

What if some schools in the district do not meet eligibility requirements but others do? Would we only include the bathrooms that have 50% or more students who are eligible for free and reduced lunch?

If your school is in a district, first, **the district must meet the eligibility requirements**. Applicants would need to include all restrooms on the “***property of participating schools***”.

Eligible districts are listed in the application, and on our website.

<https://www.cde.state.co.us/healthandwellness/menstrualhygieneproducts>

Do charter schools need permission from the school district?

Charters authorized by a district will need to get the necessary district signatures (i.e., authorized rep), so they will need to coordinate with their district office.

If we are applying for more than one school, do we itemize restrooms for each school, or do we total the numbers?

If you are applying as a district, you would indicate the number of restrooms on the property (for all participating schools).
