School Bullying Prevention and Education Grant Year 2 Timeline

Instructions

The School Bullying Prevention and Education Grant (BPEG) Year 2 Timeline is designed to support BPEG grantees in prioritizing grant responsibilities. In the second year of the grant, it would be beneficial to refer back to the BPEG Self-Assessment to ensure your school(s) is moving forward with the work of the grant. This timeline is meant to be a guide. Each school should consider where it is related to grant activities and if additional items should be added to their timeline.
