

GED Resources

The GED is the high school equivalency examination used to award the Colorado High School Equivalency Diploma (HSED). Attaining this diploma reflects test taker's readiness for postsecondary education and the workforce.

Content and Scoring

The GED examination consists of 4 content area tests. Tests are available in English and Spanish, and can be taken and paid for by 1 or more content area tests at a time:

- [Reasoning through Language Arts](#) – ability to read closely, write clearly, and edit and understand written text.
- [Math](#) – quantitative and algebraic problem solving.
- [Science](#) – life, physical, earth and space science.
- [Social Studies](#) – civics and government, U.S. history, economics, geography and the world.

A minimum score of 150 is required for each test module (600 overall) to obtain a HSED. The [scoring levels](#) are as follows:

- Passing: 150-169
- Passing with honors: 170-200

Registration and Scheduling

Testers must create an account and register to take the GED at GED.com. Registration is free and requires only an email and password.

Studying and Preparing to Test

Testers can access free study materials at home or through GED preparation programs. The official practice test, the GED Ready, tells testers if they are likely to pass the real test and provides study recommendations.

- [Free Practice Tests](#)
- [GED Ready](#), official practice test – go to “Study” section and click “Take GED Ready” to purchase (discounts may be available through preparation programs).
- [Computer Skills Tutorial](#) – see and practice the computer skills needed to be prepared to take the GED on the computer.

Policy Manual and Frequently Asked Questions

A High School Equivalency Examination Policy & Procedures Manual was developed by CDE to outline the policies and procedures for the administration of the GED test as the high school equivalency examination at testing centers approved by the state and GED Testing Service. This also includes information on content, eligibility, language & diploma versions, and test center approval processes.
