Capstone Overview
12th Grade At-a-Glance

Questions to keep in mind as you complete your Capstone this year:

**Reflection:** What have you learned about yourself as a student, learner, and citizen?

**Personal & Academic Challenge/Growth:** Have you learned new skills, gained new knowledge, and been challenged in new ways?

**Quality:** What does high quality work look like in reaching your final product?

**Authenticity:** Does it have an impact on someone else, help solve a real problem, or involve real-world tools and standards?

**Documentation:** Have your deliverables helped others understand your learning, effort, revisions, & mistakes that went into your final product?
