

School Counselor Corps Advisory Board
Update – March, 2015

Funding Update for the 2015-2016 FY

Funding for the 2015-2016 SCCG will be finalized in May with the release of the long bill however we will be notified of initial figure setting by mid-March. If funded as originally written (\$10 M) SCC will hold a new grant competition. The Office of Competitive Grants at CDE is assisting us in the preparation and release of the RFP. If we have a new competition, the RFP will be due on May 1, 2015. It will be announced in the Scoop and CDE Update, with a Grant Training Webinar on April 3, 2015. Approval of a new cohort would be on the June 19th, board retreat agenda.
