

Family, School, and Community Partnering Webinar
“On the Team and At the Table”
Highlights for Families & Others

Wednesday, June 25, 2014

5:00 – 6:30 p.m.

Training Focus:

- Learn how schools, families, and communities can partner in a Multi-Tiered System of Supports (MTSS), integrating components of Response to Intervention (RtI) and Positive Behavioral Interventions & Supports (PBIS)
- Improve understanding of supports for positive academic, social, emotional, and behavioral outcomes for all students
- Develop knowledge of family partnering legal mandates and the research base for coordinating learning between home and school
- Identify data sources such as checklists, challenges, and solutions
- Plan for specific partnering practices

Webinar Date and Time:

- Wednesday, June 25, 2014; 5:00 - 6:30 p.m.
- Webinar recording will be archived on the CDE website and will be available there for future viewing.

Audience:

This workshop is open to anyone interested in school improvement: family members, students, educators, school board members, and community members. **NOTE:** This training is an abbreviated version of the full-day workshops that have been presented regionally throughout Colorado over the past few years, and this session contains the same information as is found in the Colorado online family, school, and community partnering courses.
